BOARD OF SUPERVISORS

2007 JAN -8 P 2:07

January 4, 2007

Stanislaus County Board of Supervisors  
1010 10<sup>th</sup> Street, Suite 6400  
Modesto, California 95354RE: Walton, Dr. Robert and Mary, House Listing on the  
National Register of Historic Places

Dear Board of Supervisors:

I am pleased to notify you that on December 14, 2006, the above-named property was placed on the National Register of Historic Places (National Register). As a result of being placed on the National Register, this property has also been listed in the California Register of Historical Resources, pursuant to Section 4851(a)(2) of the Public Resources Code.

Placement on the National Register affords a property the honor of inclusion in the nation's official list of cultural resources worthy of preservation and provides a degree of protection from adverse affects resulting from federally funded or licensed projects. Registration provides a number of incentives for preservation of historic properties, including special building codes to facilitate the restoration of historic structures, and certain tax advantages.

There are no restrictions placed upon a private property owner with regard to normal use, maintenance, or sale of a property listed in the National Register. However, a project that may cause substantial adverse changes in the significance of a registered property may require compliance with local ordinances or the California Environmental Quality Act. In addition, registered properties damaged due to a natural disaster may be subject to the provisions of Section 5028 of the Public Resources Code regarding demolition or significant alterations, if imminent threat to life safety does not exist.

If you have any questions or require further information, please contact Cynthia Howse of the National Register Unit at (916) 653-6624.

Sincerely,

A handwritten signature in black ink, appearing to read "Milford Wayne Donaldson".
