Re: Notification Under the Worker Adjustment and Retraining Notification Act

Dear Sir:

On October 20, 2006, I previously notified you of our intent to sell the assets of Patterson Frozen Foods and close our plant. Our work on this transaction has been steady and continues to be ongoing. We continue to have discussions with interested investors, and are busy performing the necessary due diligence to properly conclude this transaction. However, we will need more time to complete the sale. Accordingly, we are providing the following notice with updated information to you:

Pursuant to the Worker Adjustment and Retraining Notification Act, this is to inform you that Patterson Frozen Foods, Inc. plans to initiate a plant closing in its frozen food processing, warehousing and harvesting operations in Patterson, California, located at 100 W. Las Palmas Avenue, Patterson, CA 95363. The name and telephone number of the Company official to contact for further information is: Paul Fanelli at (209) 892-2611, ext. 226.

The planned action is expected to be permanent. The entire plant will be closed. Accordingly, the separations are now expected to take place within a 14-day period beginning March 26, 2007. There are no bumping rights.

The assets of the processing plant, its warehouses and the harvesting operations located in Patterson, CA, are being sold. We understand that the buyer will operate the facility after the completion of the sale.

A majority of the affected employees are represented by Teamsters Local 948 located at 1222 I Street in Modesto, CA 95354. The principal officer of Teamsters Local 948 is Mr. Sam Martinez. Mr. Martinez can be reached at (209) 522-9006.

The job titles of the positions to be affected and the number of affected employees in each job classification is attached.

Very truly yours,

Paul Fanelli

Vice President, Human Resources
