#### DISCUSSION:

On May 2, 2000, the Board authorized the Public Works Director to enter into an agreement with Modesto Irrigation District (MID) to establish a joint escrow account for utility relocation costs. The appropriateness of paying MID to move their facilities for road projects has not been resolved to date. The request submitted for your approval is for \$65,500 to be deposited in the MID escrow account for relocation work in anticipation of the Kiernan Avenue at Stoddard Road Traffic Signal project.

Since this project will be funded by Public Facility Fees (PFF), the escrow account deposit of \$65,500 will come from the Public Facility Fee (PFF) account.

#### **POLICY**

ISSUE:

This action is consistent with the Board of Supervisors's goal of providing a safe, healthy

community.
