PAGE: 2

**DISCUSSION:** A no parking zone on the west side of McClure Road north of Leckron Road was requested by an adjacent business and reviewed by County staff. Vehicles are parking along the curb and obstructing the view of motorists leaving and entering the business. Off street parking is readily available at the business, and there is no dependence on street parking.

A no parking zone on the east side of Emerald Avenue south of Loletta Avenue was requested by an adjacent resident. Patrons of a business located within the City of Modesto are parking on the resident's property and are causing damage to the property. A temporary "No Parking Zone" was installed by the Modesto Police Department with good results. This no parking zone will not eliminate any parking spots.

A two hour parking zone on McHenry Avenue was requested by nearby businesses. A site review showed many vehicles parked along the road for the purpose of selling those vehicles. The traffic on McHenry Avenue and the traffic entering onto McHenry Avenue was affected by the restricted sight distance and the change in traffic flow. This two hour parking zone will increase the safety of the general traffic.

The proposed ordinance has the recommendation of this Department and approval as to form from County Counsel. Therefore, it is recommended that you introduce the ordinance and waive the reading thereof.

**POLICY  
ISSUE:**

This action is consistent with the Board's policy of providing a safe, healthy community.

**STAFFING  
IMPACT:**

There is no staffing impact associated with this action.
