Re: Recommended Resolution

The tragic events of yesterday have deeply impacted all of us. While California's 58 counties have quickly stepped forward to assist the state increasing security measures, it is also important for us to show our symbolic support.

In this light, CSAC has developed a sample resolution and we ask for your consideration in bringing this forward at your next Board of Supervisors meeting. We urge all counties to discuss adoption of such a resolution.

This is a time when we must all pull together. It is vital for our 58 counties to continue to show our public support for the President of the United States as he provides the leadership America needs in this time of crisis and sorrow. We must show our support for our government as it moves forward to hunt down the perpetrators of these horrifying crimes and bring them to justice.

It is also crucial for us to express our support of Governor Davis in his efforts to ensure California remains safe for our citizens.

If you do move forward with a resolution, we would appreciate it if you could fax us a copy at 916/441-5507.

As an association, we are proud of how our 58 counties have stepped forward in the face of national tragedy. Thank you for your consideration.
