Dear Ms Lewis:

Your request for the use of Woodward Reservoir for your annual Polar Bear Day on January 1, 2002, was approved by the Board of Supervisors at their meeting of October 2, 2001.

The fees for use of Woodward Reservoir have been collected as confirmed by the Parks Department.

The County requires you to have a \$1 million insurance policy which names Stanislaus County as additional insured on the policy. You will need to give a certificate of insurance to the Parks Department Office, 3800 Cornucopia Way, Suite C, in Modesto, **no later than seven days prior to your event.** If your organization does not have an existing insurance policy, you may wish to have another organization or group which has insurance sponsor the event. If your organization is affiliated with a national organization, it is likely that the national organization has insurance which may cover this event.

It will also be necessary for each participant of this event to sign the Hold Harmless Agreement before participating in the activity.

Also, in the event of low water that prevents launching boats at other ramps, Mid-Valley Water Ski Club will need to permit other boaters, if there are any, to launch and retrieve boats at the main ramps.

If you have any questions, please contact the Parks Department at (209) 525-6750.

Sincerely,

Christine Ferraro Tallman, Clerk
Board of Supervisors
