Dear Madam Chairman:

Pursuant to a requirement in section 11112.4 of the California Penal Code that a board be established to coordinate acceptance delivery and installation of remote access network equipment that is part of the California ID Livescan system. One of the required appointments to this board is a member of the County Board of Supervisors. This board is composed of seven members which includes a member of the Board of Supervisors, the Sheriff, the District Attorney, the Chief of Police of the Department having the largest number of sworn personnel within the county. A second Chief selected by all other Chiefs within the County, a mayor elected by the City selection committee and a member at large.

It is requested that the Board of Supervisors appoint one of your members to fulfil this position. I have included a copy of the section for your information.

If I can be of any further assistance, please do not hesitate me at 525-7182.

Very truly yours,
LES WEIDMAN, Sheriff-Coroner

BOARD OF SUPERVISORS
2001 OCT 10 A 11:41

11112.4. (a) Within each county or group of counties eligible to receive funding under the department's master plan for equipment, which elects to participate in the remote access network, a local RAN board shall be established. Where a single county is eligible to receive funding, that county's RAN board shall be the local RAN board. Where a group of counties is eligible for funding, the local RAN board shall consist of a regional board. The RAN board shall determine the placement of RAN equipment within the county or counties, and coordinate acceptance, delivery, and installation of RAN equipment. The board shall also develop any procedures necessary to regulate the ongoing use and maintenance of that equipment, adhering to the policy guidelines and procedures adopted by the department. The local board shall consider placement of equipment on the basis of the following criteria: (1) The crime rate of the jurisdiction or jurisdictions served by the agency. (2) The number of criminal offenses reported by the agency or agencies to the department. (3) The potential number of fingerprint cards and latent fingerprints processed. (4) The number of sworn personnel of the agency or agencies. (b) Except as provided in subdivision (c), each RAN board shall be composed of seven members, as follows: a member of the board of supervisors, the sheriff, the district attorney, the chief of police of the department having the largest number of sworn personnel within the county, a second chief selected by all other police chiefs within the county, a mayor elected by the city selection committee established pursuant to Section 50270 of the Government Code, and a member-at-large chosen by the other members. In any county lacking two chiefs of police, a substitute member shall be selected by the other members on the board. Groups of counties forming a region shall establish a seven-member board with each county having equal representation on the board and at least one member-at-large. If the number of participating counties precludes equal representation on a seven-member board, the size of the board shall be expanded so that each county has at least two representatives and there is a single member-at-large. (c) In any county with a population of 5,000,000 or more, each local board shall be composed of seven members, as follows: a member of the board of supervisors, the sheriff, the district attorney, the chief of police of the department having the largest number of sworn personnel within the county, a second chief selected by all other police chiefs within the county, the mayor of the city with the greatest population within the county, and a member-at-large chosen by the other members. In any county lacking two chiefs of police, a substitute member shall be selected by the other members of the board. (d) A county which is a part of a regional board may form a local RAN advisory board. The purpose of the local RAN advisory board shall be to provide advice and recommendations to the county's representatives on the regional RAN board. The local RAN advisory board may appoint alternate members to the regional RAN board from the local RAN advisory board to serve and work in the place of a regional RAN board member who is absent or who disqualifies himself or herself from participation in a meeting of the regional RAN board. If a vacancy occurs in the office of a regional RAN board in a county which has established a local RAN advisory board, an alternate member selected by the local RAN advisory board may serve and vote in place of the former regional RAN board member until the appointment of a regional RAN board member is made to fill the vacancy.
