Re: Challenge Awards Directory

BOARD OF SUPERVISORS

Enclosed is a copy of the 2007 Challenge Awards Directory. We hope you find this a useful resource featuring innovative projects implemented by counties around the state. CSAC would like to once again express its appreciation to everyone who participated in this year's Challenge Awards competition.

In this year's competition, we received more than 260 entries, the highest level of participation in the program's history. We hope to increase this level of participation even more in 2008.

This year marked some significant changes in the Challenge Award program. Not only did we judge, and present, awards by population category, but we also highlighted specific programs for their innovation and/or replicability.

We know that every county has developed and implemented creative programs and services, and the Challenge Awards program is one way that CSAC helps publicize these programs. Beyond this directory, a complete list of all 2007 entries can be found on the CSAC Web site at www.csac.counties.org.

Watch for your Call for Entries regarding the 2008 awards in late April. We look forward to receiving your entries in the 2008 Challenge Awards competition. If you have any questions about the Challenge Awards, please call me at 916/327-7500, Ext. 530, or email dliebler@counties.org.
