Proclamation of the Month of May as Foster Care Awareness Month and May 15, 2008 as Foster Parent and Relative Care Provider Appreciation Day

DISCUSSION:

Historically, the Governor and the California Legislature have proclaimed May as Foster Care Awareness Month, calling attention to the special role that foster parents play in providing nurturing care to children who are separated from their birth families due to abuse, neglect, or exploitation.

In Stanislaus County, there are currently 109 foster homes licensed by the Stanislaus County Community Services Agency who are playing a vital role in serving children in this community. These foster parents and the Stanislaus County Foster Parent Association are committed to providing quality care to 87 children who, for a variety of reasons, cannot be with their parents or relatives. This is a very important and often challenging service.

Several Foster Family Agencies that are licensed by the State provide care for approximately 141 Stanislaus County dependent children, with Group Homes serving an additional 61 children. These services are supervised by the Departments of Probation, Behavioral Health and Recovery Services and the Community Services Agency.

In addition to the children placed in county and state licensed foster homes, approximately 245 children are placed with relatives/non-related extended family members. These are individuals who have extended their hearts and homes to care for children who, for a variety of reasons, cannot be with their parents or legal caretakers.

The Stanislaus County Community Services Agency and the Children's Services Advisory Committee are honoring the contribution of foster parents and relative care givers with a Foster Parent and Relative Care Provider recognition event.

POLICY ISSUE:

Proclaiming May as Foster Care Awareness Month and May 15, 2008 as Foster Parent and Relative Care Provider Appreciation Day honors the Foster Parents' and Relative Care Providers' contributions to the Board's priority of safe, healthy communities.

STAFFING ISSUE:

There is no staffing impact associated with this request.
