**DISCUSSION:**

Cantaloupe Surveillance  
(California Cantaloupe Advisory Board)

The contract between the California Cantaloupe Advisory Board and Stanislaus County funds a long-standing partnership which provides for surveillance of cantaloupe fields in Stanislaus County. Through this agreement, Stanislaus County expends up to 240 hours of agricultural inspection time for spot checking fields, flea markets, and swap meets for "gunny sacking" activities. "Gunny sacking" refers to the practice where cantaloupes are taken directly from the production field and resold at local outlets or markets. Inspectors check the cantaloupes at these locations for appropriate markings which ensure the production location and harvest date. The 2008 cantaloupe "season" runs from July through October. This contract allows for needed regular and overtime weighted hourly costs and includes mileage and necessary supplies. The total contract amount is \$16,150.

**POLICY ISSUE:**

The Board of Supervisors is asked to determine if this contract is consistent with the Board Priorities to strive for Effective Partnerships and a Strong Agricultural Economy/Heritage.

Dear Jerry,

Thank you for the partnership that you have established with the Stanislaus County Agricultural Commissioner's office for providing surveillance of the cantaloupe fields in Stanislaus County.

For the 2008 cantaloupe season, July through October, the Stanislaus County Agricultural Commissioner's office will expend up to 260 hours of employee time for the spot-checking of fields, flea markets, and swap meets for "gunny sacking" activities.

Surveillance activity will take place seven days per week (regular hours and overtime hours) as needed.

190 hours @ \$55.00/hour	=	\$10,450.00
70 hours weekend duty @ 80.00/hour	=	\$5,600.00
Supplies and equipment	=	\$100.00
<b>Total</b>	<b>=</b>	<b>\$16,150.00</b>

If the above proposal meets your approval, we would invoice your board at the end of the season for an amount not to exceed the amount listed above.

Sincerely,

Milton O'Haire  
 Assistant Agricultural Commissioner/Sealer
