**FISCAL IMPACT (Continued):**

The Health Services Agency's Fiscal Year 2008-2009 Proposed Budget includes the services to be provided under these agreements.

**DISCUSSION:**

The attached list of Independent and Personal Services Contractors includes direct medical providers, and other contractors to fulfill the mission of the Health Services Agency in providing medical care to County Indigents and other County patients, teaching services for the Family Medicine Residency program, and services to fulfill the County's public health mandates and other grant funded responsibilities. Consistent with the policy adopted by the Board of Supervisors on January 24, 2006, the attached list includes those contractors for whom board approval is required as the cumulative amount paid to these contractors by the Health Services Agency is more than \$100,000 since Fiscal Year 2003-2004, as well as those that are required to be reported to the Board of Supervisors, as the cumulative amount paid beginning Fiscal Year 2003-2004 is in excess of \$50,000.

The Attachment identifies those Agreements, which are anticipated to be needed and executed during Fiscal Year 2008-2009.

**POLICY ISSUES:**

Execution of these Agreements continues to support the Board's priorities of a healthy community, effective partnerships, and efficient delivery of public services through effectively securing available, needed resources in a planned, organized and compliant manner.

**STAFFING IMPACT:**

There is no staffing impact associated with this request.
