DISCUSSION:

Marquette Estates, is a 6-lot subdivision located on Eleanor Road in the East Riverbank area. The final map was approved and filed pursuant to Resolution No. 2006-426 and approved by the Stanislaus County Board of Supervisors on June 6, 2006. All improvements required by the Subdivision Improvement Agreement have been installed to Stanislaus County standards. Because the improvements have been constructed, it is reasonable for the Board to authorize the release of the Performance Bond at this time and Labor and Materials Bond upon receipt of the Mechanic's Lien Guarantee.

There will be a year warranty period after acceptance of this subdivision prior to Public Works assumes the maintenance for this subdivision.

Curb, gutter, sidewalk, and street lights are not included in this project due to the location of the project and the zoning designating the area as an A-2 district, or agricultural area. The Subdivision Ordinance 20.56.120 exempts A-2 agricultural parcels abutting a public maintained street or highway from such improvements.
