Approval to Introduce and Waive the First Reading of an Ordinance to Amend Section 11.08.020 of the Stanislaus County Code, Amending No Parking Zones on Toomes Road, Monte Vista Avenue, Latimer Avenue and Pecos Avenue in the Various Unincorporated Areas

DISCUSSION:

The Department of Public Works has received several requests for the installation of No Parking Zones at various unincorporated areas of the County (Salida, Denair and South Modesto). The following is a summary of the request received:

Toomes Road (Salida area): The property owner of a ranch at 619 Toomes Road is requesting a No Parking Zone Anytime Zone along the property. Vehicles that are parking on Toomes Road in front of the property are causing a sight visibility problem at the driveway and hinder farm equipment from performing their farming duties.

Monte Vista Avenue (Denair area): The owner of Santa Fe Storage at 3216 Gratton Road is requesting a No Parking Anytime Zone along the property on Monte Vista Avenue and Gratton Road. Vehicles parking in front of the storage business cause a sight visibility problem for the customers entering and exiting the driveways.

Latimer Avenue (South Modesto area): The owner and the manager of the Broad Acres Mobile Home Park at 821 Latimer Avenue is requesting a No Parking Anytime Zone along the property on Latimer Avenue. Vehicles parking in front of the mobile home park cause a sight visibility problem for residents that enter and exit the driveways daily.

Pecos Avenue (South Modesto area): The owner of A&B Truck Repair at 559 South Ninth Street is requesting a No Parking Anytime Zone along his property on Pecos Avenue. Vehicles parking in front of his business are causing a sight problem for his trucks and customers that enter and exit daily.

The Department of Public Works, Traffic Engineering staff has studied and field reviewed each location. The Department recommends that No Parking Anytime Zones to be installed at these locations to help alleviate these traffic safety issues.

The specific description of the proposed amendment is identified and provided in the text of the proposed ordinance.

POLICY ISSUES:

The Board of Supervisors is asked to determine if this action is consistent with its priorities of providing a safe community, a healthy community, and a well planned infrastructure system. California Vehicle Code 22506 requires Board approval to change parking zones.

STAFFING IMPACT:

There is no staffing impact associated with this item.
