

THE BOARD OF SUPERVISORS OF THE COUNTY OF STANISLAUS
ACTION AGENDA SUMMARY

DEPT: Public Works

BOARD AGENDA # *C-4

Urgent Routine

AGENDA DATE September 9, 2008

CEO Concurs with Recommendation YES NO
(Information Attached)

4/5 Vote Required YES NO

SUBJECT:

Approval of Amendment No. 2 to the Agreement with GDR Engineering to Include Additional Engineering Services for the Salida Boulevard Corridor Plan Project

STAFF RECOMMENDATIONS:

1. Approve Amendment No. 2 to the Agreement with GDR Engineering to include additional engineering services for the Salida Boulevard Corridor Plan Project.
2. Authorize the Director of Public Works to execute Amendment No. 2 to the Agreement with GDR Engineering for the Salida Boulevard Corridor Plan Project.
3. Direct the Auditor-Controller to make the necessary budget adjustments per the financial transaction sheet.

FISCAL IMPACT:

The estimated total cost of the project is \$2,800,000. The project is funded by the following sources: \$1,800,000 of Environmental Impact Report Traffic Mitigation Fees (EIR), \$500,000 EIR Salida Storm Drain Funds, \$250,000 Stanislaus County Redevelopment Funds, and \$250,000 Stanislaus County Public Works Road Fund-Proposition 1B monies. At this time, \$44,580 is needed for additional engineering services associated with delivering the improvement project. Funds for this project are available in the Public Works Road fund balance.

BOARD ACTION AS FOLLOWS:

No. 2008-645

On motion of Supervisor Monteith, Seconded by Supervisor DeMartini and approved by the following vote,

Ayes: Supervisors: O'Brien, Grover, Monteith, DeMartini and Chairman Mayfield

Noes: Supervisors: None

Excused or Absent: Supervisors: None

Abstaining: Supervisor: None

1) X Approved as recommended

2) _____ Denied

3) _____ Approved as amended

4) _____ Other:

MOTION:

Christine Ferraro

ATTEST: CHRISTINE FERRARO TALLMAN, Clerk

File No.

Approval of Amendment No. 2 to the Agreement with GDR Engineering to Include Additional Engineering Services for the Salida Boulevard Corridor Plan Project

DISCUSSION:

This project consists of improvements to Salida Boulevard from Pelandale Avenue to the northern end. The original improvements consisted of sidewalks, street lighting, a new traffic signal at the intersection of Salida Boulevard and Broadway Avenue, drainage improvements, overlaying of the existing pavement, abandonment of Cloutier Road, access driveways for the properties adjoining Cloutier Road, and striping and landscaping. Landscaping was removed from the project due to the recent failure of the ballot procedure to form the Salida Boulevard Landscape and Lighting District that would have included this element.

In August 2007, the Board of Supervisors awarded a consulting service contract to GDR Engineering for the design of the Salida Boulevard Corridor Plan Project. In April 2008, the agreement with GDR Engineering was amended by Amendment #1 for additional design services in the amount of \$9,000. After a review of this project, prior to construction, it became apparent that additional survey services would be required for the successful completion of this project. The additional survey services include construction staking for all proposed improvements. County personnel requested a cost proposal from GDR Engineering. The additional survey needed for the successful completion of this project will cost \$44,580.

POLICY ISSUES:

The Board should consider if the recommended actions are consistent with its priorities of providing a safe community, a healthy community and a well-planned infrastructure system.

STAFFING IMPACT:

There is no staffing impact associated with this item.

GDR ENGINEERING, INC.
AMENDMENT NO. 2 TO PROJECT AGREEMENT
FOR
SALIDA BOULEVARD CORRIDOR PLAN

This Amendment is made and entered into on September 9, 2008, in the City of Modesto, State of California, by and between the County of Stanislaus ("COUNTY") and GDR Engineering, Inc., ("CONSULTANT"), for and in consideration of the promises, and the mutual promises, covenants, terms, and conditions, hereinafter contained.

1. The original Project Agreement dated August 7, 2007 is amended to revise Paragraph No. 2 of Section C, Compensation, to increase design work by \$44,580 per attached Exhibit "A", revisions to Scope of Work dated June 20, 2008.

COMPENSATION

The parties hereto acknowledge the maximum amount to be paid by the County for services provided shall not exceed the original contract, plus Amendment No. 1, plus, this contract amount of \$44,580 including, without limitation, the cost of any subcontractors, consultants, experts or investigators retained pursuant to Paragraph 1 of the Master Agreement dated July 2, 2001.

2. All other terms and conditions of said Agreement shall remain in full force and effect. GDR Engineering, Inc., shall assume all liability and responsibility for any errors and omissions in the survey work to be performed as part of this amendment. No Additional compensation will be made for such errors and omissions.

In witness whereof, the parties have executed this Amendment effective on the date written above.

Exhibit "A"

June 20, 2008

Salida Boulevard - Stanislaus County Scope of Work for Construction Staking

GDR Engineering, Inc. shall provide construction staking for the improvements as designed on the County Approved Plans for Salida Boulevard Overlay, Widening and Signal, prepared by GDR Engineering, Inc.

Task 1 Construction Staking:

Provide one set of control (line and grade) stakes for the following:

1. Set Horizontal and vertical control points throughout project.
2. Locate and mark demolition and relocation limits.
3. Rough Grade: Stakes for rough grade of basins and parking lot.
4. Storm Drain stakes: Stakes will be set for line and grade of storm drain facilities at offset requested by contractor.
5. Finish Grade Stakes: Stakes for edge of pavement, valley gutter, A.C. Dike, parking lot and turnaround.
6. Curb & Gutter stakes: Stakes will be set for curb & gutter and driveways.
7. Swale: Set stakes for swale.
8. Striping: Mark pavement for traffic control striping.
9. All survey office calculations.
10. Tie out existing centerline monuments and file corner record with County Surveyor.
11. Provide As-Built plans per Section 6735.6 of the Professional Engineers Act.

Estimated Cost of Services: **\$44,580**

Exceptions: The following is not included in this scope of work:

1. Dry Utility staking (i.e. electric, gas).
2. Landscaping features and facilities.
3. Replacement of stakes destroyed during the process of construction. Additional staking or replacement staking will be requested in writing by the client and provided by GDR as extra work.
