Approval to Update the Stanislaus County Progressive Employment Program (PEP) to Include Emancipated Foster Youth - Chief Executive Office

DISCUSSION:

In 1990, The County adopted the Handicapped Opportunities and Progressive Employment (HOPE) Program as a replacement for the Special Qualifications Workers Program. The goal of the HOPE Program was to increase employment opportunities for persons with disabilities in County government. In 2000, the Board of Supervisors adopted several changes to the program including changing the program's name to the Progressive Employment Program (PEP). The program changes included expanding employment opportunities to persons with disabilities by increasing the number of agencies available for referrals, increasing the time an individual can remain in trainee status, and changing the title to reflect a broader focus beyond traditional physical disabilities.

Individuals selected under the PEP Program may not meet all of the standard minimum qualifications upon initial employment and are therefore hired in a trainee capacity with a reduced level of compensation. Once employed, PEP participants are evaluated and considered for promotion once they obtain the experience necessary to qualify for regular appointment. PEP designated positions may be extra-help or full-time.

Under the current policy, the PEP Program is open to qualified individuals who have visual, hearing, speech, orthopedic, developmental disabilities, mental impairments, and individuals recovering from alcohol or substance abuse issues. Recognizing the need to increase our County's ability to reach out to individuals with potential barriers to traditional County employment, it is recommended to include an additional group of emancipated foster youth as an eligible participant category. Many County departments support the efforts of foster youth transitioning from the foster care system to higher education and/or work experience programs. Expanding the current PEP Program to include emancipated foster youth will increase the County's ability to assist qualifying individuals with obtaining employment and further the efforts of County departments to assist this population within the community.

A copy of the proposed updated Progressive Employment Program for which approval is requested is attached.

POLICY ISSUE:

Updating the County's Progressive Employment Program (PEP) will support the Board's stated goals of Efficient delivery of public services and Effective partnerships.

STAFFING IMPACT:

There is no direct staffing impact associated with approving the recommended PEP Program updates.

BOARD OF SUPERVISOR'S RESOLUTION
ADOPTED FEBRUARY 01, 2000/RESOLUTION # 2000-89
UPDATED SEPTEMBER 23, 2008 BOS RESOLUTION
PROGRESSIVE EMPLOYMENT PROGRAM (PEP)
PREVIOUSLY KNOWN AS THE HOPE PROGRAM**

WHAT IS THE PROGRESSIVE EMPLOYMENT PROGRAM?

The Progressive Employment Program (also known as the PEP Program) is the County's employment program to assist qualified individuals in removing barriers to obtaining a position with Stanislaus County. Individuals selected under the PEP Program are hired in a trainee capacity. The goal of the program is to assist individuals with employment barriers into obtaining full-time, permanent positions with the County. The program benefits the County in assisting a variety of individuals into careers with local government.

To qualify for employment under the PEP Program an individual must be an emancipated foster youth or have a visual, hearing, speech, orthopedic, developmental disability, mental impairment, or be a recovering alcoholic and/or addict. Placement of PEP eligibles in County government can be made at the trainee level in any job classification that is PEP designated by the County's Chief Executive Office/Human Resources Division and Department where the position is allocated. PEP appointees will be selected at the trainee level consistent with the County's "trainee" provision. This means that their appointments will be at 15% below the salary assigned to the position they are filling. Appointments under the "trainee" provision will be for up to 24 months. If PEP participants successfully perform the duties of the job, and meet the minimum qualifications for the regular position, they will then be considered for regular appointment.

PEP CERTIFICATION

Positions that are PEP designated will be announced in Stanislaus County job announcements. Persons who are interested in applying for PEP designed positions must first be PEP certified by an established agency that provides services to emancipated foster youth or persons with disabilities. Such agencies could include the State Rehabilitation Department, physician offices, the Modesto Independent Living Center, United Cerebral Palsy Association, Stanislaus County Blind Association, Association for Retarded Citizens, Stanislaus County Department of Behavioral Health and Recovery Services, Stanislaus County Community Services Agency, to name a few. Persons interested in being certified for program consideration should have the appropriate agency complete a program eligibility form which confirms medical evidence of their disability or proof of emancipation from foster care. A completed copy of the certification form must be attached to each County application for positions applied for under PEP. The original certification form should be retained by the applicants for use in applying for future PEP designated positions.

ANNOUNCEMENTS

Job announcements allowing consideration of PEP participants will be available in the Stanislaus County Chief Executive Office/Personnel Office located at 1010 10th Street, Suite 2300 Modesto, CA and on-line at www.stanjobs.org.

HOW TO APPLY

Persons can apply for PEP designated positions at any time by completing the County's on-line application for employment for those positions that are open to PEP participants. PEP designated positions will be advertised in County job announcements. Persons interested in applying for these positions will be required to complete a County on-line application form and the PEP certification form previously mentioned. In applying for PEP designated positions, the applicant must attach the PEP certification form and any other relevant qualifying information. If an individual needs assistance in completing the on-line application form, County recruitment staff is available to assist at 1010 10th Street, Suite 2300 Modesto CA or by calling (209) 525-6341.

Since this is a "trainee" program, persons applying under this program are not required to meet the minimum qualifications for the position for which they apply. The completed application and signed PEP certification form must be returned to the County Chief Executive Office/Personnel on or before the filing date specified on the job announcement. Individuals not specifying that they are applying under PEP will be considered under the County's regular recruitment process should a regular recruitment be taking place. The fact that persons may be disabled does not require them to apply for PEP positions if they do not wish to do so, but may apply for employment under the County's regular recruitment process.

EXAMINATION PROCESS

Submission of applications under PEP will be in the same manner as under the County's regular recruitment process. Persons needing an accessible testing location, an interpreter or other special testing arrangement should indicate so in the "Additional Information" section of the County's on-line application form. The examination process will be limited to a ranking interview only. Candidates who pass the ranking interview will be placed on an eligible list, and appointments to vacant PEP positions will be made pursuant to the County's Selection Ordinance. Eligibles will have their names placed on an eligible list for a minimum of six months, unless hired or the list is abolished sooner or extended. Eligible trainees must prove their eligibility to successfully perform assigned duties and could conceivably remain on PEP status for up to 24 months depending on the amount of experience and/or education they bring to the job and the minimum qualification requirements for the position. Appropriate reasonable accommodations will be provided to disabled PEP hires during both the trainee assignment, and after promotion to regular status, if such accommodation continues to be required.

JOB EXAMINATION PERIOD

After PEP candidates are appointed, they will be evaluated consistent with the County's trainee policies. Trainees may be evaluated and transitioned to regular employee status during the 24-month "trainee" period, upon meeting the minimum qualification requirements and approval by the employee's department. Time spent under "trainee" status by PEP employees will not be counted towards meeting probationary and step increase requirements once they are elevated to regular employee status.

IMPORTANT CONSIDERATION

The same rights which apply to employees selected under the regular personnel system will apply to PEP employees. Consistent with the County's trainee policies, PEP appointments will be made in the Unclassified Service of County government.

INFORMATION

Additional information on how the Progressive Employment Program (PEP) works can be obtained by calling the Stanislaus County Chief Executive Office/Personnel at 525-6341. TDD (209) 525-5999.
