Approval to Adopt Resolution Initiating Proceedings for the Formation of the North McHenry #2 Lighting District

DISCUSSION:

The Board of Supervisors may adopt a resolution in accordance with section 19056 of the California Streets and Highway Code to form a lighting district where the subdivider by ordinance is required to install a street lighting system and form a lighting district.

The proposed formation of the North McHenry #2 Lighting District is located north of Modesto on McHenry Avenue, north of Bangs Avenue, and intersects Spyres and Galaxy Way. The proposed 9.52 acre formation will operate and maintain a total of eight (8) existing lights, four (4) 100 watt sodium vapor luminaries, (3) 150 watt sodium vapor luminaries, and one (1) 200 watt sodium vapor luminary.

The formation of a lighting district is a multiple phase process:

- Adopt a resolution initiating proceedings for the formation of the North McHenry #2 Lighting District.
- Prepare an Engineer's Report to spread the cost of the improvements over the benefitting parcel(s);
- Set a date for a Public Hearing for the formation and to levy assessments;
- Send a mail-in ballot to affected landowner(s) with ballot(s) tabulated at the public hearing;
- Affected landowner(s) will be given an opportunity to speak for or against the formation or the proposed assessment at the public hearing; and,
- At the conclusion of the public hearing, the Board may adopt a resolution ordering the formation of the North McHenry #2 Lighting District be approved if a majority protest is not filed.

The decision to form a new lighting district in an area, in close proximity of an existing lighting district, is a two-part solution to an ever-growing problem. The existing North McHenry Lighting District, due to insufficient funding and the absence of a formula to cover the operations and maintenance costs of said District is unable to absorb utility and maintenance costs associated with annexations. A conscience effort was put forth, in the decision to form a new lighting district with a formula, in order to provide a level of service to this parcel consistent with other assessment districts within Stanislaus County.

Attachment A shows the proposed boundary of the North McHenry #2 Lighting District.

POLICY ISSUES:

The Board should consider if the recommended action is consistent with its priorities of providing a safe community and a well-planned infrastructure system.

STAFFING IMPACT:

There is no staffing impact associated with this item.

THE FOLLOWING RESOLUTION WAS ADOPTED:

Item # *C-1

APPROVAL TO ADOPT A RESOLUTION INITIATING PROCEEDINGS FOR THE FORMATION OF THE
NORTH MCHENRY LIGHTING DISTRICT

BE IT RESOLVED, that the Board of Supervisors, of the County of Stanislaus, State of California,
hereby finds and determines as follows:

1. The formation of the North McHenry #2 Lighting District is a requirement of the "Conditions of Approval" of Parcel Map 2004-30, and by Stanislaus County code section 20.56.210. The proposed North McHenry #2 Lighting District will provide the necessary funding to operate and maintain the required lighting within the proposed district.
2. The territory to be formed shall consist of all that land shown on the attached map (Exhibit A), and shall be called the "North McHenry #2 Lighting District of Stanislaus County".
3. All of the lighting facilities have been constructed within the proposed district and are in compliance with the approved set of "Improvement Plans". Upon approval of the formation of the North McHenry #2 Lighting District of the County of Stanislaus will operate and maintain all the luminaries within said district.

NOW, THEREFORE, BE IT FURTHER RESOLVED that the County Engineer is ordered to prepare and file an Engineer's Report for this Formation.
