Dear Christine,

As a result of continued membership recruitment, I have received two (2) additional Council applications. Please forward to your Board for review and consideration.

The applications are from Keri Rodgers and Maria Rosales. It is my recommendation that Keri is appointed under the category of "Parent" and that Maria is appointed under the category of "Public Agency". It appears that Keri's work address is in Supervisor District 3 and Maria's home address is in Supervisor District 5, (which is currently an area where we need to recruit membership).

Appointment of these applications will help to fill our vacancies on this Council.

Please notify the Council Office of your determination for this new application.

Sincerely,

April Befumo,
Child Care Planning Coordinator

Stanislaus Child Development Local Planning Council

Application for Membership to the Stanislaus Child Development Local Planning Council

Background:

Assembly Bill 1542 of 1997 established that each county in California should have a child care planning council. The Bill mandates that the County Superintendent of Schools and the Board of Supervisors work collaboratively to appoint members. The broad purpose of the Council is to study issues related to early care and education (child care) in Stanislaus County and to make recommendations to policy makers.

Applications from residents of Stanislaus County are now being accepted by the Superintendent and the Board of Supervisors. Applicants are expected to have an interest in early care and education (child care) and its related issues, attend regular two-hour council meetings and actively participate with one or more of the Council's committees.

Application Process:
