**DISCUSSION:**

Under the Health and Safety Code, Division 2.5, Chapter 4, Article 1, Section 1797.2900, "each community may develop an emergency medical services program". Since the early 1980's, Stanislaus County has contracted with the Mountain Valley Emergency Medical Services (MVEMS) Agency to administer local emergency medical service responsibilities. MVEMS Agency operates under a Joint Powers Agreement (JPA) designed to develop a regional system of emergency medical services care to collect special funding available to regional agencies. A Stanislaus County Supervisor sits as a member of the Joint Powers Board of Directors. Another member of the Board of Supervisors serves as an Alternate Director.

Historically, there have been three major responsibilities of the MVEMS Agency which are to establish and ensure a safe, dependable and responsible pre-hospital emergency medical care system, to serve as the Medical Health Operational Area Coordinator (MHOAC), and to protect the County from exposure to liability in matters related to the provision of pre-hospital emergency medical services within the County. The MHOAC role includes the authority to obtain and coordinate services and the allocation of resources in the event of a disaster or major incident in which mutual aid is requested. On July 1, 2007 however, with approval by the Board of Supervisors on December 19, 2006 the MHOAC role transferred to the County's Public Health Officer.

There are two funding sources to meet the County's per capita annual contribution for the MVEMS Agency services. They are Ambulance Maintenance Fees and the Maddy Funds (SB12-612) provided by the State of California. For the Fiscal Year 2009-2010, the Ambulance Maintenance Fees total \$150,286, with the balance of \$81,323 paid from the Maddy Funds received by the County.

Presently an analysis is being prepared to consider possible alternatives which could better address local issues in the long-term future. Staff anticipates returning to the Board of Supervisors in the first half of the 2009-2010 fiscal year.

**POLICY ISSUES:**

Board approval of this contract will continue Stanislaus County's support of mandated services for residents served by the Mountain Valley Emergency Medical Services Agency and supports the Board's priorities of *A safe community* and *A healthy community*.

**STAFFING IMPACT:**

There is no staffing impact associated with this recommendation.
