RE: Resignation

Over the last few months I have been unable to meet my commitment to ABSAP. My business has expanded and has taken me out of town and out of the country on regular basis. In fact I will be moving out of the country sometime in the near future (May or June). I have been honored and humbled to be involved with the great people and work being done on ABSAP. But I find myself in the position to submit my resignation effective immediately. I do this with regret as I have enjoyed working on the board.

Sincerely

Paul Brehm
