Modesto, CA 95354

BOARD OF SUPERVISORS  
2010 JAN 28 - A 11:03

The West Stanislaus Resource Conservation District (WSRCD) Board of Directors would like to request that the Stanislaus County Board of Supervisors allow the West Stanislaus Resource Conservation District to replace it's annual audit with a Bi-Annual Audit. This Bi-Annual Audit would remain in place until the district's revenue exceeds \$150,000 or at the direction of the County Board of Supervisors or the County Auditor and would begin with the combination of June 30,2009 and June 30,2010 year ends. This request is allowed in accordance to article # 26909 (B) of the California State Code, because our annual revenue does not exceed \$150,000 per year. In the past we have had annual audits for this district. The reason for this request would allow a considerable cost savings to the WSRCD board. The WSRCD board made a motion for this request at the December 9<sup>th</sup> meeting of the West Stanislaus Resource Conservation District with the board's unanimous consent.

Sincerely,

Norman W. Crow,  
Chairman to the  
West Stanislaus Resource Conservation District Board
