CLERK OF SUPERVISORS

Gentlemen,

We the Directors and Staff of the Keyes Community Services District would like to first, let you know the results of the Keyes Lighting District Assessment votes. I have attached the ballot procedure to this letter with all votes tallied.

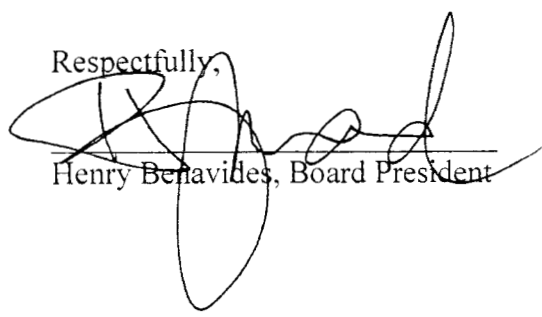

Ballots sent out:	1235
Votes in support	201
Votes in protest	149
Incomplete Ballots	44
Total Ballots Received	394

We Certify these Ballots

We would also like to thank you, The Board of Supervisors for your support as we were going through this process to get to where we are now. It was greatly appreciated.

We would like to thank Supervisor Chiesa for the time he took out of his busy schedule to plan and strategize as to how we could keep the lights on in the Community of Keyes. We would also like to thank Supervisor Chiesa for walking the streets and handing out informational pamphlets.

Lastly we would like to thank all the County Board of Supervisors, and CEO Robinson for providing the funding for us to keep the lights on through this year until we could get the fees raised and be put on the tax roll. Without your help the lights would have gone off in Keyes due to lack of finances.

Respectfully,

Henry Benavides, Board President
