4/5 Vote Required YES NO

SUBJECT:

Approval of Labor Agreement Between the County and the Stanislaus County District Attorney Investigators' Association Representing the District Attorney Investigators' Bargaining Unit

STAFF RECOMMENDATIONS:

1. Approve the provisions contained in the tentative agreement reached between the County and the Stanislaus County District Attorney Investigators' Association representing the District Attorney Investigators' Bargaining Unit.
2. Authorize the Chairman of the Board of Supervisors and all parties to sign the agreement.

FISCAL IMPACT:

There are no County costs associated with the recommended tentative agreement with the Stanislaus County District Attorney Investigators' Association (SCDAIA). The tentative agreement has been approved by SCDAIA in conjunction with their agreement to implement a five percent salary cost reduction in Fiscal Years 2010-2011 and 2011-2012. The five percent salary cost reduction is estimated to reduce labor costs up to \$76,000 per fiscal year and will assist in preserving current District Attorney Investigator positions over the term of the agreement. Actual savings in the District Attorney's Office budget may be reduced in some circumstances based on non-General Fund District Attorney Investigator positions funded through department contracts or grant funded programs. FISCAL IMPACT: (Continued)

The agreement also includes a reduction in retirement benefits for future employees hired into the bargaining unit effective January 1, 2011. While no immediate fiscal savings are projected from this change, the County will experience a gradual decrease in future retirement cost exposures as a result of implementing the reduced retirement benefits for future employees. Additional work will also need to be completed in conjunction with the Stanislaus County Employee Retirement Association to prepare all related actions necessary to implement the recommended retirement changes prior to January 1, 2011. Those additional actions and projected actuarial cost savings will be forwarded to the Board of Supervisors for final approval in the coming months.

DISCUSSION:

The current Memorandum of Understanding (MOU) between the County and the Stanislaus County District Attorney Investigators' Association (SCDAIA) is effective March 1, 2006 through March 31, 2010. The County has negotiated a tentative agreement for a new MOU with SCDAIA. The new tentative agreement has been ratified by the members of the bargaining unit. The agreement covers a twenty-seven month term from April 1, 2010 through June 30, 2012.

In January 2010, the Chief Executive Officer invited all County labor organizations to negotiate collectively to consider proposals for five percent salary cost reductions in all County departments for Fiscal Years 2010-2011 and 2011-2012. Negotiations were conducted from January 2010 through March 2010 and resulted in tentative agreements with 12 County labor organizations supporting an across the board five percent salary cost reduction for all County employees over the next two fiscal years. SCDAIA participated in the collective negotiations and supported the tentative agreement reached with all labor groups. The tentative agreements for five percent salary cost reductions for all labor groups, including SCDAIA, were approved by the Board of Supervisors on April 6, 2010.

During the cost reduction negotiations, the County and SCDAIA also reached a tentative agreement to finalize all other outstanding negotiations and implement a new MOU to be effective April 1, 2010 through June 30, 2012. The term of the new MOU will coincide with the term of the previously approved five percent salary cost reduction agreement which will also expire June 30, 2012. The tentative agreement summary is attached to this agenda item and includes the following negotiated items: term and salary, retirement, overtime, work schedules and contract language clean-up. Unless specifically stated, all negotiated agreements are effective upon approval of the Board of Supervisors.

1. EMPLOYEES COVERED

This agreement covers the wages, hours, terms and conditions of employment for the term of the agreement for those employees in the classifications of Criminal Investigator I/II and Senior Criminal Investigator.

2. TERM OF THE AGREEMENT

This agreement shall remain in full force and effect for a twenty-seven (27) month period commencing on April 1, 2010, and ending on June 30, 2012.

3. NO STRIKE

SCDAIA acknowledges that strikes, slow-downs, sick-ins and other job actions which disrupt work are detrimental to the interest of the citizens of Stanislaus County and violate County ordinances. SCDAIA agrees, as consideration for the salary and fringe benefits herein set forth, that it will not participate in, condone, or encourage such actions during the term of this agreement.

4. NON-DISCRIMINATION/FAIR REPRESENTATION

The parties agree that the provisions of this agreement shall be applied without favor or discrimination based upon race, ancestry, religion, color, age, national origin, political affiliation, action or belief, physical or mental disability, medical condition, pregnancy related condition, sex, marital status, sexual orientation, or genetic history. The parties agree to recognize, respect, and support the County's commitment to nondiscrimination in employment as set forth in the County's Equal Employment Opportunity Program. SCDAIA agrees to encourage its members to assist in the implementation of that program.

SCDAIA agrees to acknowledge its responsibility to fairly represent all employees in the bargaining unit without regard to race, ancestry, religion, color, age, national origin, political affiliation, action or belief, physical or mental disability, medical condition, pregnancy related condition, sex, marital status, sexual orientation, genetic history, job classification, or employment status and in compliance with State laws. County acknowledges and agrees that it will not discriminate or take adverse action against employees on the basis of their choice of SCDAIA representation.

5. SAFETY PROGRAM SUPPORT

SCDAIA agrees to support the County's safety and loss control efforts. The parties agree to strive to reduce the number of industrial injuries among employees and maintain a safe place of employment and to encourage employees to perform their work in a safe manner.

6. COUNTY RIGHTS

Stanislaus County retains the exclusive right, except as expressly stated herein, to operate and direct the affairs of the departments of County government and all of their various aspects, including, but not limited to the right to direct the work force; to plan, direct, and control all of the operations and

services of the County; to determine the methods, means, organization, and schedule by which such operations and services are to be conducted; to assign and transfer employees within the various departments; to hire, promote, suspend, demote, discharge, reprimand, and evaluate employees; to relieve employees from duty due to lack of work or other legitimate reasons as set forth in the County reduction-in-force policy; to change or eliminate existing methods, equipment, or facilities in order to maintain or increase the efficiency of governmental operations; and, to exercise complete control and discretion over its organization and the technology of performing its work. Nothing contained herein shall be construed to preclude meeting and conferring between employer and employee regarding the practical consequences that decisions on these matters may have on wages, hours, terms and conditions of employment.

7. COMPENSATION

A. Salary

The parties agree that all employees in the bargaining unit will receive a five percent (5%) deduction in salary starting on the July 3, 2010 workday and ending on the June 30, 2012 workday in accordance with the provisions of Attachment C.

B. Salary Administration

1. The parties agree that County salary policy applied to an employee dismissed during probationary service from a position to which he or she had been demoted, promoted or transferred, will be clarified as follows: Such an employee's salary shall be returned to the same step in the appropriate salary range as had been held prior to the promotion, demotion, or transfer. Employee salary review date, if applicable, shall be adjusted by the equivalent number of months during which an employee did not hold the classification to which he or she is returning.
2. The parties agree to the County policy concerning salary administration as follows: "Eligibility for advancement to subsequent salary steps will thereafter be based on one year satisfactory continuous service at the prior step until the employee reaches the maximum step of the appropriate salary range."
3. The parties further agree to the County's policy that a leave of absence without pay, or other time off without pay exceeding fifteen (15) calendar days, shall cause the employee's anniversary date to be postponed.

C. Overtime

Overtime shall be compensated at a rate of time and one-half of the employee's regular rate of pay for all time worked beyond 80 hours in a pay period. In calculating overtime eligibility, sick leave taken shall not be considered as time "worked". All other forms of paid time off in the form of vacation time, compensatory time,

bereavement leave, jury duty, holiday pay, military leave, etc. shall be considered time "worked" for the purpose of overtime eligibility.

D. On-Call Pay

On-call pay shall be compensated at \$250.00 for each seven (7) day period of required on-call service. Effective July 8, 2006, employees will have the option of choosing eight (8) hours of comp time for each seven (7) day period of required on call service in lieu of paid time.

E. Call-Back Minimum

The parties agree that the three (3) hour minimum call-back, paid at time and one-half, shall apply to members of the bargaining unit in any official call-back situation.

F. Compensatory Time Off (CTO)

1. Overtime worked is accrued at one and one half pay rate. Employees who voluntarily work overtime to replace another employee who uses CTO to take time off shall only be paid for hours worked.
2. Compensatory time may be accrued to a maximum of 240 hours. Accumulation of CTO in excess of the maximum shall be paid. Employees may submit requests at a minimum of eight (8) hours to cash out accumulated compensatory time. The County shall cash out such requests in the following pay period in which it is received.
3. Employees may be permitted to use CTO within a reasonable period of time of a request as long as the request for time off does not unduly disrupt department operations. The Department shall make a good faith effort to approve the request and notify the employee as soon as practical. If vacation relief or other coverage is not available, the request shall be posted and/or made available for voluntary coverage.
4. Employees may not demand specific date(s) off using CTO, nor may the department order employees to take time off as CTO.
5. All employees who promote shall cash out the total accumulation of compensatory time at the employee's pay rate immediately prior to the promotion.

G. POST Incentive Pay

1. Intermediate

The County agrees that those individuals possessing an Intermediate POST Certificate will receive a premium of two and one-half percent (2.5%) of actual base salary. POST Certificate pay is non-cumulative.

2. Advanced

Those individuals possessing an Advanced POST Certificate will receive a premium of three percent (3%) of actual base salary. Effective February 28, 2006, those individuals possessing an Advanced POST Certificate shall receive a premium of five percent (5%) of actual base salary. POST Certificate pay is non-cumulative.

H. Retirement

1. Members of the bargaining unit employed prior to January 1, 2011 shall receive, upon retirement three percent (3%) of base salary at age fifty (50) calculated on the single highest consecutive twelve (12) months.

2. The parties agree to reopen the Tier Two retirement plan for all newly hired members of the bargaining unit effective January 1, 2011. Safety Tier Two benefits include the two percent (2%) at fifty (50) retirement benefits per Government Code Section 31664 and final average compensation calculated on the highest thirty-six (36) consecutive months.

Employees who are rehired/reinstated with the County after the implementation of Tier Two on January 1, 2011 and have met the necessary membership criteria to be placed in their former retirement tier shall be eligible for placement in that former tier. In general, current legal standards allow rehired employees the opportunity to reinstate into their former retirement tier as long as the individual member either has left his retirement contributions on deposit since his prior period of County service or elects and completes the redeposit of withdrawn retirement contributions plus applicable interest. The membership tier will depend on the employee's/member's individual circumstances and prior retirement selections. Employees who are rehired/reinstated with the County after January 1, 2011 are encouraged to confirm their membership status and retirement tier reinstatement options with StanCERA.

3. Employee retirement contribution rates are established by the Stanislaus County Employee Retirement Association (StanCERA). The County agrees to pay portions of the employee retirement contribution rates for all employees during the term of this agreement as follows:

- a. Up to the first full pay period following May 16, 2006, the County shall pay a portion of the employee's retirement contribution rate (Basic and COLA) to StanCERA equal to three and three quarters percent (3.75%) of the employee's retirement eligible earnings.
 - b. Effective the first full pay period following May 16, 2006, the County shall pay an additional 1.5% of the employee's retirement contribution rate (Basic and COLA) to StanCERA for a total of five and one quarter percent (5.25%) of the employee's retirement eligible earnings.
 - c. Effective the first full pay period following October 1, 2007, the County shall pay an additional 3.0% of the employee's retirement contribution rate (Basic and COLA) to StanCERA for a total of eight and one quarter percent (8.25%) of the employee's retirement eligible earnings.
 - d. Effective the first full pay period following April 1, 2008, the County shall pay an amount equal to the total of the employee's retirement contribution rate (Basic and COLA) to StanCERA based on the employee's retirement eligible earnings. At this time the employee will no longer pay any portion of their employee retirement contribution rate.
4. County contributions towards an employee's retirement contribution rate shall not exceed the actual employee retirement contribution rate being charged by StanCERA at any time. If an employee's retirement contribution rate falls below the amounts provided in Section 3 (A-C), the County contribution amount will be lowered to equal the actual employee retirement contribution rate being charged by STANCERA.
 5. Employees in retirement Tier 4 (formerly Tier 1), shall maintain the retirement benefit known as "30-year pay." Tier 4 employees are eligible for this benefit as determined by StanCERA when an employee has reached thirty (30) years of service and is no longer required to make contributions to the retirement system. The County will use 3.75% as the retirement pick-up amount utilized in the "30-year pay" calculation to determine the level of compensation the employee will receive.
 6. All payments made by the County to StanCERA on behalf of the employee's retirement contribution rate shall be vested in the employee.

I. Salary on Promotion

The County shall continue to guarantee a five percent (5%) minimum salary increase on promotion in accordance with the existing County Code provisions. Effective October 1, 1989, an exception to this provision shall be made if the step to which the employee is promoted is six (6) cents or less per hour under the minimum five percent

(5%) increase. This provision shall apply for promotion to classifications within this unit or for promotion to classifications assigned to the bargaining unit for which this provision applies.

J. Supervisors

The County shall maintain at least a ten percent (10%) spread between Criminal Investigator II and Senior Criminal Investigator classifications in recognition of full-time supervision.

K. Designation of Bilingual Positions

The County will designate certain languages as eligible for bilingual certification. Employees asserting their competence in any County designated bilingual language shall be given the opportunity to test for bilingual certification. The County Chief Executive Officer (CEO) or designee is responsible for conducting bilingual certification testing within a reasonable amount of time. Employees will be tested for verbal and/or written bilingual proficiency as determined by the County CEO and Chief Criminal Investigator. Employees who pass the test will be certified as bilingual.

Employees certified as bilingual will receive additional compensation of two and one-half percent (2.5%) of base pay for bilingual certification pay, effective the first full pay period following the certification date. Only those employees certified bilingual will be granted bilingual certification pay.

Employees receiving bilingual certification pay shall use their bilingual skills within the course of employment to maintain the certification pay. Bilingual employees who are not certified as bilingual will not be subject to discipline for declining to use bilingual skills in the course of employment.

8. HOLIDAY/VACATION TIME PROVISIONS

A. County Holiday Policy

1. The parties agree that only the immediate days of mourning or holiday declared by the President of the United States and the Governor of California will be considered County holidays in addition to the specific list of holidays already present in the County Code.
2. Compensate eight (8) hours of holiday credit while on-call during a recognized holiday:

New Year's Day, January 1st
Martin Luther King Day
President's Day

Memorial Day
Independence Day, July 4th
Labor Day
Veterans Day, November 11th
Thanksgiving Day
Day After Thanksgiving
Christmas Eve, December 24th (four (4) hours only)
Christmas Day, December 25th

B. Combining Vacation & Optional Holiday Time

The parties recognize that on December 31, 1983, any optional holiday time was combined with vacation benefits. The rate of accrual of vacation hours was increased on January 1, 1984 by sixteen (16) hours of "special" vacation time each calendar year in lieu of optional holiday time. See sub-division F of this section for vacation accrual rates.

Optional holiday time on the books as of December 31, 1983, for an employee, was frozen on the books and may be:

1. Taken as time off,
2. Cashed out with the approval of the employee, the department head and the County Auditor-Controller, or
3. May be cashed out upon the employee's termination.

C. Vacation Credit for Holidays

Eight (8) hours of vacation credit for holidays will be given during the bi-weekly period in which the holiday occurs. The exceptions to this are:

1. New hires or employees who return from leave of absence will receive vacation credit for a holiday if the first day worked is on or before the holiday.
2. Terminated or discharged employees, or those beginning an unpaid leave of absence, will accrue vacation credit for a holiday if the last day for which pay is received falls after the holiday, or if the last day worked falls on the holiday.
3. Employees on disciplinary suspension without pay will not receive vacation credit for a holiday occurring during the period without pay.
4. Employees taking time off without pay will not accrue the holiday if they are on an unpaid status during the major portion of the pay period.
5. Optional (floating) holidays will continue to be credited to vacation balances at the first of the year.

D. Limited Cash Conversion

The parties agree that employees with one hundred (100) or more hours of accrued vacation on the records may request conversion into cash payments of up to forty (40) hours of accrued vacation not more frequently more than once in a fiscal year. Such conversion shall be granted upon approval of the department head and the Auditor-Controller. Requests shall not be unreasonably denied.

E. Vacation Accumulation Maximum

Vacation time in the amount not to exceed four hundred fifty (450) hours shall be carried over on employee accrual balances from year to year.

The parties agree that employees who have reached the four hundred fifty (450) hour vacation accumulation maximum shall not accrue any additional vacation time. Accrual of vacation time shall again commence in the pay period that the employee's vacation time has fallen below the four hundred fifty (450) hour maximum. It is the policy of the County that employees take at least their normal vacation each year, provided, however, that for reasons deemed sufficient by their department head, an employee may, with the consent of the department head, take less than the normal vacation time with a correspondingly longer vacation the following year.

Employees shall receive notification of vacation accrual balances through the employee's paycheck advice notice. Employees are encouraged to request vacation upon nearing the vacation accumulation maximum of four hundred fifty (450) hours pursuant to department procedures.

Failure by the employee to make a good faith effort to request vacation in accordance with departmental procedures will result in vacation accrual stoppage at four hundred fifty (450) hours.

If the employee does make a good faith effort to request vacation time and the request is denied by the department, or the approved vacation is canceled, or cannot be utilized by reason of subpoena or other required duties of the Department, the employee shall receive up to eighty (80) hours of vacation cash-out. It is understood employees may have to request vacation time outside of high use times, i.e., holiday seasons and summer months.

F. Vacation Accumulation Rate

The parties agree that consistent with the County code the following vacation accumulation rates are in effect during the term of the agreement:

3.08 hours per pay period (ten (10) days a year) for the first through completion of the second year of continuous services.

4.62 hours per pay period (fifteen (15) days a year) for the third year through and including the tenth year of continuous service.

6.16 hours per pay period (twenty (20) days a year) for the start of the eleventh year through and including the twentieth year of continuous service.

7.70 hours per pay period (twenty-five (25) days a year) for the twenty-first year of continuous service and thereafter until separation from County service.

In addition, employees shall earn sixteen (16) hours of "special" vacation time each calendar year in lieu of optional holiday time. "Special" vacation shall be earned in addition to the regular vacation and shall be earned by prorating said amount over twenty-six (26) pay periods.

9. WORK SCHEDULES

The Department may assign Criminal Investigators and Senior Criminal Investigators based upon departmental need to either a 5/8, 9/80, or 4/10 work schedule. Investigators shall not involuntarily have their schedules changed without fourteen (14) days notice.

10. PAID BREAKS

The parties agree that employees who are required to perform work duties during a lunch break will be allowed to convert their lunch break to a paid break.

11. LEAVES OF ABSENCE

- A. The parties agree that the County's leave of absence policy will remain unchanged during the life of this agreement and that leaves of absence without pay may be approved for probationary employees. Further, as a condition for a leave of absence without pay to continue, the County may require the employee on leave to provide periodic status reports demonstrating that the conditions still remain upon which the leave of absence was initially requested and approved.
- B. In addition, the parties agree that time worked during the probationary period will be counted toward permanent status even if the person has an intervening leave of absence during the probationary period.
- C. The parties further agree that the County's leave of absence policy will not change to reflect the fact that the granting of any leave of absence without pay or other time off without pay exceeding fifteen (15) calendar days shall cause the employee's date of eligibility for increased vacation accrual rates to be postponed by the equivalent number of months to the nearest number of months for which the leave of absence is granted based on the number of calendar days in such month.

12. AUTOMATIC RESIGNATION

The parties agree that an employee who is absent without authorization and without contacting his or her supervisor for three (3) consecutive working shifts, or longer, will be presumed to have voluntarily resigned from County service, effective on the date at which the unauthorized absence began. The provisions of County Code Section 3.28.130 (Petition to Set Aside Resignation) shall apply.

13. MAXIMUM SUSPENSION

The parties agree that the maximum time period during which an employee may be suspended for cause pursuant to County discipline policies is ninety (90) days. Notwithstanding the ninety (90) day maximum, both parties recognize that the Disciplinary Appeals Board could impose a longer suspension in lieu of termination.

14. NO CHARGES ON PROBATIONARY TERMINATIONS

The parties agree that the County will not be required to prepare a statement to the file as to why an individual's probationary period was terminated.

15. REDUCTION-IN-FORCE POLICY

The parties agree that the County Reduction-In-Force Policy included in this agreement as Attachment A applies to all employees covered by this agreement. At least twenty-one (21) calendar days of advance notice will be given to employees affected by reduction-in-force actions.

16. PERSONAL PROPERTY DAMAGE PROCEDURE

The parties agree that the County policy providing for reimbursement to personal property such as clothing damaged or destroyed in the line of duty and without employee negligence will continue with the specific understanding that normal wear and tear is not covered as reimbursable and that any and all disputes arising out of this process will be referred for resolution to a County department head mutually agreed upon. If the parties cannot agree on a particular department head, one will be selected by an alternate striking method. Normal wear and tear refers to the wearing out of articles of personal property or clothing that results over time and through no sudden or unusual occurrence such as line of duty accident. This covers the fact that many articles of clothing wear out with age and would be replaced in the normal course of our personal lives.

17. GROUP INSURANCE BENEFITS

A. Health Insurance

The parties agree that health, dental, and vision plans shall be made available to County employees and, where applicable, their dependents through a cafeteria plan. The parties acknowledge these plans are independent group plans which may adjust their respective premiums or benefits as deemed necessary by the plan provider.

Unless otherwise agreed to by the parties, the County's contribution is fixed and any increase in premiums is the responsibility of the employee.

Employee health insurance benefits are negotiated in a separate meet and confer process between the County and all represented employee bargaining units. A copy of the health agreement covering January 1, 2010 through December 31, 2010 is attached to this agreement.

B. Group Dental and Vision

The parties agree that group dental and vision care insurance benefits and dollar amounts that the County contributes for dental and vision insurance premiums through the Cafeteria Plan shall remain in effect during the term of this agreement.

C. State or Federal Health Care Reform

Should any new State or Federal legislation be approved to take effect during the term of the agreement which affects the County's health insurance programs, the parties agree to immediately meet to determine the potential impact, if any, on employees or the County, of the legislation. Absent legislation modifying such, the County agrees that at least the dollar amounts of premium contributions made by the County for health insurance premiums shall be available to employees during the terms of the agreement, unless amended through the joint negotiation process on health insurance.

18. PAYROLL DEDUCTIONS

The County will provide a payroll deduction for DA Investigators pursuant to the following:

A. Fair Share Fee Payments

1. All regular full-time, non-probationary employees shall, as a condition of employment, pay a representation service fee which is the employee's proportionate share of the Stanislaus County District Attorney Investigators Association and their designated representatives (referred to as Union) cost of negotiations, meeting and conferring, administering the Memorandum of Understanding (MOU), and disciplinary representation beginning ninety (90) days after the MOU is ratified and adopted by the Union and the County, or after an employee attains such status, or after the Union has provided the employee(s) and the County with the legally required expenditure information as outlined in the Hudson Act, whichever is latest. Such representation service fee shall in no event exceed the total, regular, periodic membership dues paid by unit employees.
2. The representative service fee arrangement provided by this section may be rescinded by majority vote determined in a secret ballot election in which all

regular bargaining unit employees are eligible to vote as provided by the Meyers-Milias-Brown Act.

3. Employees opposed to having a portion of their fees being spent on activities or causes of a partisan political or ideological nature, may exercise relief under the Beck decision.
4. Any employee who objects to joining or financially supporting employee organizations shall not be required to financially support the Union. Such employee, in lieu of a representation service fee, shall instruct the County, in writing, with a copy to the Union, to deduct and pay a sum equal to the representation service fee to the United Way of Stanislaus County.
5. When an authorized agent of the County is served with written notice by a concerned unit employee or employees, or by the Union that a dispute exists between such unit employee or employees and the Union involving a claimed violation of employee rights with respect to (1) representation service fee expenditures or obligations by the Union, or (2) employee exemption pursuant to paragraph 4, the County shall thereafter deposit such disputed dues or fees in an interest bearing escrow or comparable account pending final resolution of the dispute, and shall so advise in writing the employee or employees and the Union. The County shall not be obligated to take any other or further action pending final resolution of the dispute. Final resolution as used in this subdivision shall mean resolution of the dispute by way of legally binding arbitration between the employee(s) and the Union. The sole obligation of the County with respect to such disputes is as set forth in this paragraph. The County shall not be made a party to the arbitration.
6. The Union agrees to indemnify and defend the County and its officers, employees and agents against any and all claims, proceedings and liability arising, directly or indirectly, out of any actions taken or not taken by or on behalf of the County under this section.

B. Credit Union Deductions - Operating Engineers

The parties agree that effective after Board of Supervisors approval of this agreement, the County will provide a voluntary payroll deduction for the Operating Engineers Credit Union.

C. Voluntary Dues Deduction - Long Term Disability Income Protection Plan

The County agrees to implement a voluntary dues deduction program for members of the bargaining unit to participate in a long term disability insurance plan. The voluntary deduction shall be implemented after Board of Supervisors approval of this Agreement, and in accordance with the policy of the Auditor-Controller.

19. SICK LEAVE

A. Cashout Provisions

The parties agree that the sick leave policy of the County in effect immediately prior to the commencement of this agreement shall remain in effect during the term of this agreement, with the exception that the policy of the County concerning pay for a portion of accrued sick leave upon termination of County employment will be amended as follows in consideration of the salary and other fringe benefit increases in this agreement. The parties agree that Criminal Investigators and Senior Criminal Investigators who terminate from County service as a result of death, non-service connected disability retirement, or service retirement shall be eligible to receive cash for accrued, but unused, sick leave on the books at the rate of fifty percent (50%) of the salary equivalent of such sick leave.

The parties agree that effective November 1, 1987, at the time a Criminal Investigator or Senior Criminal Investigator is granted a service connected disability retirement, the employee will not have the option to continue his or her disability leave charged against accrued sick time. Any accrued sick leave will be cashed out at seventy-five percent (75%). The seventy-five percent (75%) cash out will be limited to this circumstance only.

Criminal Investigators or Senior Criminal Investigators terminating from County service for all other reasons, including but not limited to resignation and discharge, shall not be eligible to receive any cashout of unused sick leave.

The maximum amount of sick leave that shall be applied toward the cashout provisions as provided for in this section shall be six hundred six hundred (600) hours. For example if an employee retires from County service, he or she would be cashed out for fifty percent (50%) of six hundred (600) hours or three hundred (300) hours. Time in excess of the six hundred (600) hours shall continue to accrue and be used in the case of illness.

In addition, any current employee who has accrued time in excess of six hundred (600) hours shall, upon retirement, and consistent with current MOU provisions, cash out the amount of time accrued as of January 1, 1995 or the end of the last pay period in October, whichever time is higher. The total sick leave accrual on the date for each employee shall become the employee's individual maximum or cap for sick leave cash out purposes while the employee remains in the continuous employment of the County. For example, if the employee has one thousand (1,000) hours on the date the cash out maximum takes effect, he or she would be cashed out for fifty percent (50%) of one thousand (1,000) hours or five hundred (500) hours upon retirement. Any time accrued in excess of this time shall not be subject to cashout.

The purpose of this provision is to place a ceiling on the County's cashout liability for sick leave while maintaining unlimited accrual of sick leave for catastrophic illness.

Absent the County agreeing to convert the time to service credit, the parties agree that the prior cash out policies shall take effect for members of the bargaining unit employed at that time, retroactive to the implementation date, including any member who may have retired. In addition, if the County does not agree to convert the time to service credit, the parties acknowledge that all new hires appointed on or after April 1, 1995 shall have a maximum of six hundred (600) hours of sick leave to apply toward cashout upon retirement. The only exception to the new hire appointment will be in the case of an employee promoting or transferring to an investigator position from another department in the County who has a higher individual maximum as provided by this Section. In this case, the employee's individual sick leave maximum shall be maintained.

B. Conversion of Sick Leave Cashout Benefits to Health Insurance Upon Retirement

If the County establishes a program which allows for the conversion of sick leave cash out benefits to cover the cost of health premiums upon retirement, that program shall be made available to all employees covered by this agreement. This program must meet the criteria of the Auditor-Controller and Internal Revenue Codes for tax purposes.

20. IRS CODE SECTIONS

The parties acknowledge that the County has implemented the provisions of Internal Revenue Code Section 414 (h2) dealing with the employer "pickup" of the employee's retirement contribution for both Tier I and II.

Effective with the first pay period in March 1991, the County installed Section 125 of the Internal Revenue Code, which limited employee health insurance premium contributions. The parties further agree that all interested members of the bargaining unit shall be eligible to participate in the Dependent Care Assistance Program and the Medical Expense Reimbursement Program at a monthly cost to the employee.

21. MILEAGE REIMBURSEMENT

Mileage reimbursement rates will be established by the County Auditor-Controller effective January of each year based on the rates published by the IRS.

22. FUTURE MEET AND CONFER TOPICS

The parties agree, during the term of this agreement, to meet and confer at the request of either party to the extent required by the Myers-Milias-Brown Act. These mutual, non-binding discussions are specifically limited to the following:

- A. Health and Welfare Benefits
- B. Retiree Health Care

- C. Amend Stanislaus County Personnel Policies that are subject to meet and confer
- D. Examine Medical Terminations Pursuant to Section 19253.5(a) Government Code
- E. Safety Equipment

The County agrees that any changes made as a result of the meet and confer process pursuant to this section shall not result in a loss of salary, compensation or cafeteria contributions currently provided.

23. COMPLIANCE WITH THE AMERICANS WITH DISABILITIES ACT (ADA)

The County and SCDIA acknowledge and agree that the ADA may require modification of County policy or MOU provision in order to provide reasonable accommodation to individuals protected under the Act on a case by case basis. The County and the Union agree to meet and confer if the accommodation will require some modification of the MOU or County policy which affects any term or condition of employment or is otherwise a mandatory subject of bargaining. Said meet and confer will be on a case by case basis and no single accommodation shall establish a past practice.

24. SEVERABILITY

It is not the intent of the parties hereto to violate any laws, rulings or regulations of any governmental authority or agency having jurisdiction over the subjects of this collective bargaining agreement, and the parties hereto agree that in the event any provisions of this agreement are finally held or determined to be illegal or void as being in contravention of any such laws, rulings or regulations, nevertheless, the remainder of the agreement shall remain in full force and effect unless the parts so found to be void are wholly inseparable from the remaining portion of this agreement.

25. FULL UNDERSTANDING

- A. This Agreement sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any and all prior or existing Memoranda of Understanding, Understandings, and Agreements regarding the matters set forth herein, whether formal or informal, are hereby superseded and terminated in their entirety.

Existing practices and/or benefits which have a direct effect on employee wages, hours and other terms and conditions of employment which are not referenced in this Agreement shall continue without change unless modified or abolished by mutual agreement of the parties.

- B. It is the intent of the parties that ordinances, Board resolutions, rules and regulations enacted pursuant to this Agreement be administered and observed in good faith.
- C. Nothing in this Agreement shall preclude the parties from mutually agreeing to meet and confer on any subject within the scope of representation during the term of this Agreement.

ATTACHMENT A REDUCTION-IN-FORCE

Whenever in the judgement of the Board of Supervisors it becomes necessary in the interest of economy or because the necessity for a position no longer exists, the Board of Supervisors may abolish a position or classification, and if necessary reduce personnel by laying off employees without the filing of disciplinary charges and without granting the employee the right of appeal except as accorded in these provisions. In reducing the number of employees every effort will be made to avoid displacing existing employees by allowing voluntary demotion or transfer to vacant positions. In laying off employees in the Classified Service, the order of separation shall be based upon seniority as herein specified.

In the event that a Reduction-In-Force action is to be recommended in the District Attorney Investigators' Bargaining Unit during the period of this agreement, a good faith effort will be made by the County to notify the Union, and meet upon Union request to discuss alternatives to the Reduction-In-Force action including voluntary time-off, approval of leave of absence requests, and voluntary lay-offs. The County will do what it reasonably can to make available to employees who are laid off retraining opportunities as available through Federal or State job training programs or other available County programs.

ORDER OF SEPARATION

Employees in the same class shall be separated considering seniority and type of appointment with the least senior employee in any category of appointment being the first separated and with tied seniority scores broken as provided herein. The sequence of appointment types shall be:

1. Provisional
2. Extra-Help
3. Trainee
4. Regular Full-Time and Regular Part-Time

Within regular part-time and regular full-time appointments, employees with probationary status shall be laid off before employees with permanent status in the same class regardless of relative seniority.

SENIORITY:

Employees' seniority will be based on amount of total continuous service with the County. In an affected classification, that employee with the least total continuous service shall be the first separated from the affected department except as otherwise provided herein. In cases of equal seniority among employees, the order of separation shall be determined by the Director of Personnel based on a review of relative performance efficiency as evidenced in performance evaluations and such relevant materials as may be submitted by the Department and affected employee in an informal hearing.

PERFORMANCE:

Notwithstanding the above, service time credit for the purpose of determining seniority shall not include employment during any periods between completion of a performance evaluation evidencing an overall rating below satisfactory and completion of a subsequent evaluation with satisfactory or better overall rating.

WRITTEN NOTICE:

Written notice of layoff shall be served on affected employees in person or by a certified letter mailed to the last address on file with the Director of Personnel. Notice will be served or mailed at least 21 calendar days prior to the effective date of the separation. Notice shall be deemed served upon return of a delivery receipt or receipt showing attempted delivery.

DEMOTION IN LIEU OF LAYOFF:

In lieu of being laid off, an employee may elect to voluntarily demote within the same department to a lower paid classification in the same series or to a classification previously held in the County. Less senior employees who may be displaced as a result of demotion actions shall in turn be subject to the provisions of this section. In order to exercise these options, the employee affected must so advise the Chief Executive Office in writing no later than seven working days after receiving notice of layoff.

TRANSFER IN LIEU OF LAYOFF:

In lieu of being laid off, an employee may request to voluntarily transfer or demote to a vacant position in another department in the same or comparable classification or to a classification previously held. Such requests require approval by the gaining Department Head.

RE-EMPLOYMENT:

For a period of one-year from the effective date of lay off no regular position in the affected classification in the department involved shall be filled without first providing employees possessing rights to re-employment with an opportunity to be rehired. Re-employment lists shall be in inverse order of lay-off with the most senior employee from among those laid off rehired first. Such re-employment would be at the same salary step or the salary range assigned such classification and with the same seniority as the employee had earned at the time of lay-off. Benefits paid out at the time of separation such as vacation or such leave may be bought back at employee expense. Written notice of the re-employment opportunity shall be sent by certified mail to the last known address of the former employee by the Chief Executive Office. The former employee shall have 14 calendar days to respond to the notice.

The County agrees to temporarily modify existing reduction-in-force policies to extend return rights for employees impacted by a reduction-in-force to three-years. This extension of return rights will apply to all permanent regular employees represented by SCDAIA who are terminated or demoted through a reduction-in-force action from the date of agreement through June 30, 2012.

After June 30, 2012, the re-employment period shall return to the previous period of one-year from the effective date of layoff unless otherwise negotiated.

ADMINISTRATIVE DECISIONS:

The Chief Executive Officer is authorized to render decisions resolving questions of seniority, performance, and continuous service incident to the administration of this section.

SPECIAL CIRCUMSTANCES:

Employees assigned to a position on the basis of bona fide occupational qualifications may be exempted from the reduction-in-force list for their classification where those skills are necessary to continue the level of service rendered by the program.

APPEALS:

Persons subject to layoff or demotion under these provisions may appeal to the Chief Executive Officer any allegations of error, fraud, irregularity or bias in application of the reduction-in-force procedures. The affected person may, within seven days after receipt of the decision by the Chief Executive Officer, appeal that decision. An appeal shall be filed with the Chief Executive Officer. The Chief Executive Officer shall forthwith transmit the appeal request to the hearing board established pursuant to Section 3.28.060 of the Stanislaus County Code. The hearing board shall within a reasonable time from the filing of the appeal, commence the hearing thereof and shall notify the interested parties of the time and place of hearing at least five days in advance hereof.

At the hearing, both the appellant and the County shall have the right to be heard publicly, to be represented by Counsel and to present evidentiary facts. The parties may agree to a hearing closed to the public and the hearing board may at any time exclude any person who may be a witness in the appeal under consideration. The hearing shall be informal and the hearing board shall not be bound by any rules of evidence governing trial procedure and state courts. The hearing board shall render a written decision, copy of which shall be transmitted to the Chief Executive Officer. The Chief Executive Officer shall serve a copy of the decision upon the appellant. The decision of the hearing board shall be final.

Relevant provisions in Chapter 3.28.060 and 3.28.070 of the Stanislaus County Code shall govern the hearing process. At the hearing, both the appellant and the County shall have the right to be heard publicly, to be represented by Counsel and to present evidentiary facts. The parties may agree to a hearing closed to the public and the hearing board may at any time exclude any person who may be a witness in the appeal under consideration. The hearing shall be informal and the hearing board shall not be bound by any rules of evidence governing trial procedure and state courts. The hearing board shall render a written decision, copy of which shall be transmitted to the Chief Executive Officer. The Chief Executive Officer shall serve a copy of the decision upon the appellant. The decision of the hearing board shall be final.

For employees enrolled in an HMO plan, the County shall contribute an amount equal to 90% of the lowest cost HMO plan (Kaiser HMO) at each level of coverage.

For employees enrolled in an HSA plan, the County shall contribute an amount equal to 98% of the lowest cost HSA plan (Kaiser HSA) at each level of coverage. The County will also fund individual HSA accounts in the following amounts:

Employee +1 - \$2,500 annually

Family - \$2,500 annually

HSA account contributions will be made twice per month, for a total of 24 equal installments each year. Recognizing the potential for a significant number of employees to enroll in the HSA plans, the County will fund 6-months of the HSA account contribution in January 2011 for any employee enrolling in an HSA plan in 2011. The County would make no other contributions until July 2011 and then would fund the remaining annual account contribution through 12 equal installments over the last six months of 2011. Employees are responsible for paying any account related fees on their individual Health Savings Account (up to \$3.25 monthly as of January 2011).

Health insurance co-pays will be as follows:

Office Visit	\$20.00	Chiropractic	\$15.00
RX	\$10.00/\$20.00	Emergency Room	\$50.00

Co-pays and out of pocket costs may be different for employees enrolled in HSA plan options with minimum deductible requirements, please refer to the specific HSA plan documents for more information.

The parties recognize that health insurance providers may institute benefit changes that are not within the control of the County.

The "waive" credit for health insurance will remain at current levels for the term of this agreement for those employees who waive health insurance. The waive credit for health insurance is \$47.50 monthly for regular employees and \$150.00 monthly for management employees. Proof of other coverage is still required.

Dental and Vision

The County will provide dental coverage through the Delta Dental PPO Plus Premier plan with coverage and benefit levels remaining the same as provided in 2010. The County shall pay 95% of the premium cost at each level of dental coverage (Employee only, Employee +1 and Family).

The County will provide vision coverage through the Vision Service Plan with coverage and benefit levels remaining the same as provided in 2010. The County shall pay 95% of the premium cost at each level of vision coverage (Employee only, Employee +1 and Family).

Please refer to the specific dental and vision plan documents for more information on benefit coverage levels.

Additional Provisions

1. Benefit deductions are taken out of 24 of the 26 paychecks each year (twice monthly). Benefits for new hires are effective the 1st of the month following date of hire. For terminated employees, benefits continue through the last day of the month of termination.
2. The County will invite a representative of each labor group to participate in the County's Employee Wellness Program Workgroup. Participation is voluntary and subject to department head or designee approval for any changes in standard working hours and will not result in overtime compensation.
3. The County will include up to three representatives selected by all County labor groups to assist in the evaluation of future self insurance medical programs.
4. Regular full-time employees must work 30 hrs/wk to qualify for a County benefit contribution (medical, dental, vision and/or waive credit). Employees working 30-34

hrs/wk will be credited with 75% of benefit contributions. Employees working 35-39 hrs/wk will be credited with 90% of benefit contributions. Additional employee contributions to health insurance premiums will be paid through payroll deduction.

- For purposes of this policy, hours worked includes all forms of paid time rounded to the nearest whole number. Examples of paid time include, but are not limited to vacation, sick, comp time off, 4850 leave, paid admin leave, etc.
- This provision does not apply to part-time extra-help employees who are not eligible for benefits.
- For regular full-time employees who change their employment status to percentage employment, this provision will be effective the first of the month following the date they assume the reduced percentage employment schedule. Benefits will return to 100% the first of the month following the effective date the employee returns to 100% regular employment status.
- For regular full-time employees who are paid less than 80 hours per 14-day pay period (employees going into DOC time, etc.), employee contributions will be adjusted if the employee does not receive 80 hours of paid time in three consecutive pay periods. The effective date of the adjustment will be the first of the month following the three consecutive pay periods of reduced compensation. Benefits will be restored to 100% effective the first of the month following any pay period in which the employee is paid 80 hours. This process will be modified for regular full-time employees working an alternative work schedule that does not provide 80-hours of regular compensation per pay period. Unpaid suspension time as a result of employee disciplinary actions will not count against an employee in determining health insurance eligibility.
- For employees on a paid leave of absence, the County will continue the current process for coordinating leave accruals with State Disability benefits. This process allows an employee to combine their State Disability benefits with their leave accruals to equal 40 hours of compensation per week while maintaining their full health insurance benefits. For employees participating in disability plans other than State Disability, the County will continue to provide the same level of coordinated benefits consistent with the benefits available through State Disability.
- Under current policy, employees on an unpaid leave of absence do not receive health insurance contributions effective the first of the month following the start of their unpaid leave status. Employees returning from an unpaid leave will have their health insurance contributions restored effective the first of the month following their return to paid status. Please see applicable County policies regarding unpaid leave status, exceptions for FMLA eligible employees and the availability of COBRA benefits.
- For benefit information related to Voluntary Time Off, Job Sharing and benefit provisions for Certain Part-Time Nurses, please refer to the individual County policies and CNA labor agreement.

- Nothing in this agreement shall enhance or reduce existing policy provisions related to military leave benefits.

It is understood by the parties that these provisions fully set forth the agreement of the parties in matters of health insurance as herein specified. The parties agree that only through mutual agreement of all the parties to this agreement would discussion occur during the term of this agreement on health insurance matters.

AGREEMENT
BETWEEN COUNTY OF STANISLAUS
AND
STANISLAUS COUNTY DISTRICT ATTORNEY INVESTIGATORS ASSOCIATION

RE: IMPLEMENTATION OF 5% SALARY SAVINGS IN
FISCAL YEARS 2010-2011 AND 2011-2012

Pursuant to this agreement between the County of Stanislaus (County), and Stanislaus County District Attorney Investigators Association (SCDAIA), the parties agree as follows:

Whereas, the County of Stanislaus has identified significant budget shortfalls throughout County departments in Fiscal Years 2010-2011 and 2011-2012; and

Whereas, the County and SCDAIA agree to a 5% deduction of employee salaries as a method of reducing labor costs and minimizing the number of County employees subject to reduction-in-force in Fiscal Years 2010-2011 and 2011-2012.

Now therefore, the parties agree to the following terms and conditions of implementing 5% salary cost savings in Fiscal Years 2010-2011 and 2011-2012:

1. All employees in the bargaining unit(s) represented by SCDAIA will receive a 5% deduction in salary starting on the July 3, 2010 workday, and ending on the June 30, 2012 workday. The 5% salary deduction will be on a pre-tax basis and will be calculated on the employee's base wage. The Salary deduction will not decrease the compensation paid for extra pays (special assignment pay, etc.). Retirement contributions will not be withheld on behalf of the employee or County on the amount of salary deducted.
2. All employees receiving a 5% salary deduction will receive four hours of special accrued leave time each pay period in which the 5% salary deduction is taken, or an equivalent amount of special accrued leave time pro-rated based on the number of hours paid to the employee. The total special accrued leave time earned in each fiscal year will be 104 hours, based on 5% salary deductions for each 80 hours of paid time during 26 pay periods. Special accrued leave time will be administered in the same manner as vacation time for purposes of determining overtime eligibility.
3. Special accrued leave time will be reported as a separate accrual amount on each employee's payroll advice notice. Employees may go negative in their special accrual leave time balance up to a maximum of 104 hours, however employees may not go negative in any amount greater than the employee's current vacation accrual amount. Employees may not carry a negative balance over at the end of each fiscal year. If an employee has a negative balance at the end of the fiscal year, or upon separation of employment, the County will reduce the employee's vacation accrual amount by an equal portion to balance the employee's special accrued leave time to zero.

4. Special accrued leave time will be utilized during any period of office closure approved by the Board of Supervisors. Office closure schedules will be communicated by July 1, 2010 for the period of time from July 1, 2010 to December 31, 2010, and by October 1, 2010 for the period of time from January 1, 2011 to June 30, 2011. Office closure schedules will be communicated by July 1, 2011 for the entire Fiscal Year 2011-2012. With Department Head approval, employees may work during periods of approved office closures in limited circumstances to provide required County services.

Any remaining special accrued leave time not utilized during an office closure will be eligible for the employee to use as requested with the approval of their Department Head or designee. Department Heads may substitute the use of vacation with special accrued leave time as necessary, unless an employee is at the maximum level of vacation accrual.

5. Employees and departments are encouraged to schedule and utilize all special accrued leave time within the fiscal year in which it is accrued. Special accrued leave time not utilized within the fiscal year may be carry forward up to June 30, 2013. All special accrued leave time will expire and not be eligible for use on or after July 1, 2013. Special accrued leave time does not have a vested cash value and may not be cashed out during employment or at the time of termination.
6. Employees retiring from County service will be exempted from 5% salary deductions for a one year period prior to their identified date of retirement. In order to receive this exemption, retiring employees will need to sign an irrevocable notice of their retirement/resignation from County service on forms provided by the County. Employees may request Department Head approval to extend their planned retirement/resignation date, however any approved extension of their planned retirement/resignation date will require an adjustment of salary deductions and special accrued leave time to ensure that the employee is not exempted from the salary deductions for a period greater than 12 months. Employees must be eligible for a regular service retirement in order to receive this exemption.
7. The parties agree to implement a Retirement Incentive Program as outlined in Attachment A.
8. In recognition of the agreed 5% salary savings for Fiscal Years 2010-2011 and 2011-2012, the County agrees to not impose through any meet and confer process an additional base salary reduction/deduction beyond the 5% contributed by employees represented by SCDAIA from the date of agreement through June 30, 2012. This provision does not prohibit the parties from introducing or discussing proposals for additional base salary savings during this period of time which may further assist in balancing future County budget deficits. This provision also does not limit in any way the County's existing authority to meet and confer on all other terms and conditions of employment including, but not limited to, employee health insurance, retirement benefits and miscellaneous compensation (such as special assignment pays, on-call pay, etc.).

9. The County agrees to temporarily modify existing reduction in force policies to extend return rights for employees impacted by a reduction in force to three years. This extension of return rights will apply to all permanent regular employees represented by SCDAIA who are terminated or demoted through a reduction in force action from the date of agreement through June 30, 2012.
10. SCDAIA recognizes that the implementation of the 5% salary deduction is not a form of discipline for individual employees and employees may not appeal this reduction in salary under any County appeal procedures.
11. Implementation of the 5% salary deduction will not impact an employee's existing leave time accrual benefits (sick leave, vacation, etc.), retirement service credit or health insurance benefits.
12. Vacation cash outs will not be approved for employees participating in the 5% salary deduction program in Fiscal Years 2010-2011 and 2011-2012; individual MOU provisions will remain for employees reaching the vacation accrual maximum and denied the use of vacation.
13. Employees may voluntarily request unpaid Voluntary Time Off (VTO), as per County policy, in addition to the 5% salary deduction.

Agreed to this 6 day of April, 2010
