MOTION: INTRODUCED AND WAIVED THE	FIRST READING OF ORDINANCE NO. C.S. 1074

CHRISTINE FERRARO TALLMAN, Clerk

ATTEST:

File No. ORD-55-L-7

Public Hearing to Consider the Introduction and Waiving of the First Reading of an Ordinance to Amend Existing Fees for the Department of Environmental Resources to Include a New Fee for the Aboveground Petroleum Storage Act (APSA) Program Page 2

DISCUSSION:

The Department of Environmental Resources (Department) charges fees for services it provides in the program areas of Code Enforcement, Environmental Health, Hazardous Materials, Landfill, Milk & Dairy and Solid Waste. State law mandates that fees charged for services cannot exceed actual costs and must be used to cover the costs of implementing the programs.

Annually, in preparation for the Proposed Budget, the Department evaluates the program costs and the fees associated with programs administered. This process includes the consideration of new or additional fees, where appropriate, as well as modifications to existing fees in order to cover the program costs. This year the Department is proposing the creation of a new fee for the Aboveground Petroleum Storage Act Program as mandated by law in Hazardous Materials. There are no proposed fee changes for Code Enforcement, Environmental Health, Landfill, Milk & Dairy, or Solid Waste.

Hazardous Materials

On October 13, 2007, Assembly Bill 1130 (AB 1130) was signed by the Governor, which went into effect on January 1, 2008, transferring the responsibility for implementation, enforcement and administration of the Aboveground Petroleum Storage Act (APSA) Program from the Regional Water Control Board to the local Certified Unified Program Agency (CUPA). AB 1130 was written as an extension of the Federal Spill Prevention, Control and Countermeasure (SPCC) Plan found in Chapter 40 of the Code of Federal Regulations, Part 112, designed to prevent oil discharges from reaching navigable waters or adjoining shorelines.

AB 1130 requires the owner or operator of a tank facility with aggregate storage capacity of 1,320 gallons or more of petroleum to prepare an SPCC Plan in accordance with Federal law. However, under APSA, CUPAs are required to conduct inspections at tank facilities with aggregate storage capacity of 10,000 gallons or more of petroleum at least once every three years. The purpose of the inspection is to determine the owner's or operator's compliance with the SPCC requirements of the APSA and the Department serves as the CUPA for Stanislaus County.

To fund the initial program development, the California Environmental Protection Agency (CalEPA) awarded a one-time grant in the amount of \$119,403 to the Department in July 2008 (approved by the Board of Supervisors on February 12, 2008, Board Action No. 2008-102). The monies from the grant were used to update the State Water Resources Control Board inventory list, train CUPA personnel, and provide workshops and outreach to the regulated community. The award was only intended to provide the initial funding needed to frame the APSA Program and did not include the annual administrative or operating costs. To cover the APSA program costs, which includes but is not limited to inspections, enforcement, and administrative costs, the Department now needs to establish a fee as part of the single fee system.

On March 3, 2010, the Department held a workshop to discuss the proposed APSA fee with industry representatives. Information about the workshop was mailed to all parties affected or potentially affected by the fee. Two representatives from the regulated business community attended the

Public Hearing to Consider the Introduction and Waiving of the First Reading of an Ordinance to Amend Existing Fees for the Department of Environmental Resources to Include a New Fee for the Aboveground Petroleum Storage Act (APSA) Program Page 3

workshop and supported the proposed fee and no concerns were expressed.

Proposed Fees

Tank facilities that aggregate between 1,320 gallons and 9,999 gallons of petroleum will be inspected under the Hazardous Material Business Plan and would not be subject to APSA fees. Only tank facilities with aggregate storage capacity of 10,000 gallons or more of petroleum would be subject to the APSA fee and will be inspected once every three years. In calculating the proposed fee, the Department reviewed the storage capacity of the tanks within the regulated facilities and the amount of time spent on determining compliance.

The Department proposes to incorporate the APSA Program into the existing CUPA structure. The projected annual operating cost is approximately \$19,817.

Aboveground Petroleum Storage	Number of	Proposed	Difference
Facilities	Facilities	Fee	
1,320 gallons - <10,000 gallons	145	\$0	N/A
10,000 gallons - 50,000 gallons	65	\$237	NEW
50,001 gallons -100,000 gallons	5	\$332	NEW
100,001 gallons - 1,000,000 gallons	4	\$427	NEW
> 1,000,000 gallons	2	\$522	NEW

Public Hearing

On March 16, 2010, the Board set the public hearing to consider this item for April 27, 2010, at 9:10 a.m., as required by Government Code Section 54985, et seq.; a requirement that must be met before new fees can be established or existing fees can be raised. In addition, the Notice of Public Hearing was printed in the Modesto Bee on April 16, 2010, and April 22, 2010. If approved, these fee increases will correspond with Fiscal Year 2010-2011, and will become effective on July 1, 2010.

POLICY ISSUE:

An ordinance of the Board of Supervisors is required to amend or establish fees for the Department. Further, the Board should determine if amending existing fees for the Department including a new fee for the Aboveground Petroleum Storage Act Program is consistent with its priorities of a safe community, a healthy community, a well-planned infrastructure system, and the efficient delivery of public services.

STAFFING IMPACTS:

There are no staffing impacts associated with this item.

ICE NO. C.S.

AN ORDINANCE AMENDING EXISTING FEES COLLECTED BY THE DEPARTMENT OF ENVIRONMENTAL RESOURCES TO INCLUDE A NEW FEE FOR THE ABOVEGROUND PETROLEUM STORAGE ACT (APSA) PROGRAM

THE BOARD OF SUPERVISORS OF THE COUNTY OF STANISLAUS, STATE OF CALIFORNIA ORDAINS AS FOLLOWS:

Section 1. Fees to be collected by the Department of Environmental Resources are adopted and amended as set forth in the Department of Environmental Resources Fee Schedule attached hereto as Exhibit A and incorporated by reference, copy of which is on file with the Clerk of the Board of Supervisors and is available for public inspection and copying in that office in accordance with the California Public Records Act.

Section 2. This ordinance shall take effect 30 days from and after the date of its passage and before the expiration of 15 days after its passage it shall be published once, with the members voting for and against the same, in the Modesto Bee, a newspaper published in the County of Stanislaus, State of California.

Upon motion	on of Supervisor	seconded

DECLARATION OF PUBLICATION (C.C.P. S2015.5)

COUNTY OF STANISLAUS STATE OF CALIFORNIA

I am a citizen of the United States and a resident Of the County aforesaid; I am over the age of Eighteen years, and not a party to or interested In the above entitle matter. I am a printer and Principal clerk of the publisher of THE MODESTO BEE, printed in the City of MODESTO, County of STANISLAUS, State of California, daily, for which said newspaper has been adjudged a newspaper of general circulation by the Superior Court of the County of STANISLAUS, State of California, Under the date of February 25, 1951, Action No. 46453; that the notice of which the annexed is a printed copy, has been published in each issue there of on the following dates, to wit:

May 05, 2010

STANISLAUS COUNTY NOTICE OF PROPOSED ORDINANCES

NOTICE IS HEREBY GIVEN that on May 18, 2010, at 6:30 p.m., or as soon thereafter as the matter may be heard, the Stanislaus County Board of Supervisors will meet in the Basement Chambers, 1010 10th St., Modesto, CA, to consider waiving the second reading and the adoption of the following ordinances:

Ordinance C.S. 1074 amending existing fees to include a new fee to charge for the implementation of the Aboveground Petroleum Storage Act (APSA) Program (for further information, contact Sonya K. Harrigfeld, Director of Environmental Resources at 209-525-6770 or at 3800 Comucopia Way, Suite C, Modesto, CA).

Ordinance C.S. 1075 amending existing fees for Department of Public Works Engineering Division (for further information, contact Diane Haugh in the Public Works Department at 209-525-6550 or at 1010 Tenth Street, Suite 3500, Modesto, CA).
Ordinance C.S. 1076 adopting a Parking

Ordinance C.S. 1076 adopting a Parking Pendities Schedule and adjust existing parking penalties collected by the Sheriffs Department (for further information, contact Captain Tim David, Sheriff Administration Division, at 209-525-7014 or at 250 E Hackel Rd Modesto. CA)

E. Hackett Rd, Modesto, CA).
Ordinance C.S. 1077 increasing existing fees collected by the Sheriff's Department for Carry Concealed Weapons Permits (for further information, contact Captain Tim David, Sheriff Administration Division, at 209-525-7014 or at 250 E. Hackett Rd, Modesto, CA).

Ordinance C.S. 1087 increasing existing fees collected by the Sheriff's Department for Fingerprint Processing (for further information, contact Captain Tim David, Sheriff Administration Division, at 209-525-7014 or at 250 E. Hackett Rd, Modesto, CA).

NOTICE IS FURTHER GIVEN that a full copy of the proposed ordinances are available for review in the Clerk of the Board Office, 1010 10th Street, Suite 6700, Modesto, CA. BY ORDER OF THE BOARD OF SUPERVISORS. DATED: April 27, 2010. ATTEST: Christine Ferraro Tallman, Clerk of the Board of Supervisors of the County of Stanislaus, State of California. BY: Elizabeth A. King, Assistant Clerk
Pub Dates May 5, 2010

I certify (or declare) under penalty of perjury That the foregoing is true and correct and that This declaration was executed at

MODESTO, California on

May 5th, 2010 (Signature)

ABOVEGROUND PETROLEUM STORAGE ACT (APSA) Program

Sonya K. Harrigfeld, Director

Beronia Beniamine, Senior Hazardous Materials Specialist

Department of Environmental Resources

April 27, 2010

PowerPoint Presentation

Aboveground Petroleum Storage Act History

- Prior to 2007 Aboveground Storage Tanks (AST) containing petroleum fuels were regulated by the State Water Resources Control Board (SWRCB).
- Required that a Spill Prevention Control and Countermeasure Plan (SPCC) be prepared in accordance with Federal Regulations.
 - SPCC Plans are required under 40CFR112 and are designed to prevent petroleum spills.
- AST Facilities paid fees to State.

APSA History (continued)

- Assembly Bill 1130, Chaptered October 13, 2007 transferred the responsibility for the implementation, enforcement, and administration of the APSA from the SWRCB to the local Certified Unified Program Agency (CUPA).
 - Provided grant funding to CUPA for the initial implementation of APSA and training of personnel.
 - Regulations state CUPA shall establish a fee to cover the cost of administration of APSA.

APSA History (continued)

On February 12, 2008 DER went to the Board of Supervisors for approval to apply for grant funds from California Environmental Protection Agency related to APSA.

 Stanislaus County CUPA awarded APSA grant in the amount of \$119,403.

APSA Grant Implementation

As part of the APSA grant award the Department of Environmental Resources completed the following tasks as outlined in the 2008 Grant Application:

- Staff visited AST facilities to gather accurate facility information and reconciled inventory with that of Cal EPA.
- In August 2009 conducted two one-day informational seminars for AST facilities and business professionals.
- In November 2009 hosted Aboveground Storage Tank inspector training with California Specialized Training Institute.

APSA Fees

- The APSA grant only provided funding for the initial implementation of the APSA and does not cover the administration costs associated with the program.
- The CUPA shall assess a fee to cover the costs associated with inspections, enforcement, and administration costs.

APSA Fees (continued)

 On March 3, 2010 DER held a workshop to discuss proposed APSA fees with regulated businesses.

- All affected parties notified of fee workshop.
- Business community did not express concern related to proposed fees during the workshop.

Stanislaus County APSA

Facility Tank Capacity (gallons)	Number of Facilities	Proposed Fee
1,320 – 10,000	145	\$0
10,001 – 50,000	65	\$237
50,001 - 100,000	5	\$332
100,001 – 1 million	4	\$427
>1 million	2	\$522

APSA Regulation Overview

APSA Requires

- The CUPA to perform inspections at tank facilities every three years that have a storage capacity of 10,000 gallons or more of petroleum.
- Owners or operators to file a tank facility statement with the CUPA annually.
- Owners or operators of a tank facility to make notification of a spill or other release of one barrel (42 gallons) or more of petroleum.
- Tank facilities that have a storage capacity of 1,320 gallons or more of petroleum to prepare and implement an SPCC Plan according to 40 CFR, part 112.

APSA - Regulated Chemicals

- APSA only applies to facilities storing "petroleum" in aboveground storage tanks.
- •"Petroleum" crude oil fraction, liquid at room temperature and pressure. Includes fuels, lubricants, solvents, and biodiesel.
- Does not include LPG, LNG, 100% biodiesel or 100% synthetic oil, ethanol, some waxes, tars, and asphalts.

Types of APSA Facilities

- 1. Tier I Qualified Facility
 - Can use Template SPCC and self-certify
- 2. Tier II Qualified Facility
 - Can self-certify own SPCC plan
- 3. Non-qualified Facility
 - Must have SPCC plan certified by a Professional Engineer

Aboveground Petroleum Storage Act (APSA) Exemptions

- 1. Pressure vessel or boiler
- 2. Hazardous waste tanks
- 3. Aboveground oil production tank
- 4. Oil-filled electrical equipment
- A regulated underground storage tank
- 6. Any transportationrelated tank subject to DOT

APSA Exemption -Conditional

A farm, nursery, logging site, or construction site would

be exempt from preparing an SPCC if:

Largest container <20,000 gallons

Total site storage capacity <100,000 gallons

Staff Recommendation

• Conduct public hearing to consider the introduction and waiving of the first reading of an ordinance to amend existing fees for the Department of Environmental Resources to include a new fee for the Aboveground Petroleum Storage Act (APSA) Program.
