

Approval of Independent and Personal Services Contractor Agreements in Excess of \$100,000 Between the Stanislaus County Health Services Agency and Various Contractors for Fiscal Year 2010-2011

Page 2

DISCUSSION:

The attached list of Independent and Personal Services Contractors includes direct medical providers, and other contractors to fulfill the mission of the Health Services Agency in providing medical care to County Indigents and other County patients, and services to fulfill the County's public health mandates and other grant funded responsibilities.

Consistent with the policy adopted by the Board of Supervisors on January 24, 2006, Attachment A includes those contractors for whom Board approval is required as the cumulative amount paid to these contractors by the Health Services Agency is more than \$100,000 since Fiscal Year 2003-2004. Attachment B includes those that are required to be reported to the Board of Supervisors, as the cumulative amount paid beginning Fiscal Year 2003-2004 is in excess of \$50,000.

The total amount of contracts over \$100,000 cumulatively, to be approved by the Board of Supervisors through this agenda item is \$11,537,011 for Fiscal Year 2010-2011.

POLICY ISSUES:

Execution of these Agreements continues to support the Board's priorities of A Healthy Community, Effective Partnerships, and Efficient Delivery of Public Services through effectively securing available, needed resources in a planned, organized and compliant manner.
