Approval to Set Public Hearing on September 21, 2010, at 6:40 p.m. for Authorization of Stanislaus County District Attorney and Stanislaus County Sheriff's Department Expenditure Plans for the State Supplemental Law Enforcement Services Fund (SLESF)

FISCAL IMPACT (Continued from Page 1)

These funds are dedicated revenues and are allocated for frontline law enforcement services and personnel, equipment and programs that are necessary to meet those needs. These funds can not be used to supplant (replace) current services and if not spent, can not become part of the General Fund balance at year-end.

In Fiscal Year 2009-2010 the Stanislaus County Sheriff's Department and District Attorney Offices received \$368,364 in Supplemental Law Enforcement Services Funding (SLESF). Of this amount Stanislaus County Sheriff's Department received \$125,023 for the Detention division, \$118,318 for the Operations division, and the District Attorney's Office received \$125,023.

District Attorney

The Fiscal Year 2010-2011 Final Budget for the District Attorney anticipated continuation of the SLESF funding and anticipated a total funding level of \$100,000. This revenue was included in the budget. Since this revenue is used to offset the cost of positions that were previously added with receipt of this funding, no recommendation is being made to increase appropriations and anticipated revenue.

Sheriff's Department

The Fiscal Year 2010-2011 Final Budget for the Sheriff anticipated continuation of the SLESF funding and anticipated a total funding level of \$100,000 for the Detention division and \$100,000 for the Operations division. Estimated revenue was included in both budgets. Since this revenue is used to offset the cost of salaries and benefits for positions that were previously added with receipt of this funding, no recommendation is being made to increase appropriations and anticipated revenue.

DISCUSSION:

The purpose of this agenda item is to set a public hearing required by California Government Code 30061 regarding the planned expenditure of Supplemental Law Enforcement Services Fund (SLESF).

Stanislaus County receives Supplemental Law Enforcement Services Funding (SLESF) from the State through the California's Citizens Option for Public Safety (COPS) program on an annual basis. The prerequisite to receive this funding requires the County convene a public hearing to discuss the proposed use of the funds. (Continued on the next page)

DISCUSSION (Continued from Page 2)

District Attorney

It will be proposed that the District Attorney's allocation be utilized in the 2010-2011 Fiscal Year for the following purpose: \$100,000 to partially fund a Criminal Investigator II and two Legal Clerks IVs to assist in criminal investigations.

Sheriff's Department

On September 30, 1997 the Board approved the addition of four sergeant positions in the Operations division and four Sergeant-Custodial positions in the Detention division. These positions were funded with the 1997-1998 SLESF actual funds of \$160,823 for Jail operations and \$240,809 for front line law enforcement. The SLESF funds were identified as the ongoing revenue source to continue these first line supervisory positions.

Due to a reduction in the Vehicle License Fees (VLF) allocated to the Citizen's Option Public Safety (COPS) Supplemental Law Enforcement Services Fund (SLESF) Program, it is proposed that the County's Sheriff's Department allocation be utilized in the 2010-2011 Fiscal Year for the following purpose: \$100,000 for .82 Sergeant-Custodial position in Detention and \$100,000 for .76 Sergeant position in Operations.

California Government Code 30061 requires the Stanislaus County Board of Supervisors to convene a public hearing to appropriate these funds for front line law enforcement, county jail construction and operations, and criminal prosecution. This hearing must be separate and apart from the process applicable to proposed allocations to the County General Fund.

POLICY ISSUES:

This agenda item is consistent with the Board of Supervisors' priorities of A Safe Community and Efficient Delivery of Public Services.

STAFFING IMPACT:

There is no staffing impact associated with this agenda item. Existing staff will provide the support needed to administer the funds.
