FISCAL IMPACT (CONTINUED)

and purchase of metal campfire rings and pedestal grills. All purchases must be made through an approved Purchase Order issued against the Master Agreement. The Master Agreement remains in effect until January 11, 2016, or until terminated.

DISCUSSION:

The Department of Parks and Recreation operates and maintains five regional park facilities that are designated as public campgrounds, including Frank Raines, Woodward Reservoir, Modesto Reservoir, La Grange and the Kiwanis Camp. Within these designated campgrounds, over 1200 camping sites exist and many of these campgrounds require campfire rings.

The General Services Agency (GSA), Purchasing Division, posted an Invitation to Bid (BID) on October 20, 2010, on behalf of the Department of Parks and Recreation. Bids closed on November 17, 2010, and only one response was received from R.J. Thomas Mfg. Co., Inc. The company was found to be responsible and responsive and a letter of intent to award was issued on December 1, 2010.

Master Agreement, Number A120110 (Attachment A), is for the purchase of metal campfire rings and grill pedestals. The Department of Parks and Recreation anticipates the need to purchase metal campfire rings and pedestal grills over the next five years. This Agreement allows purchases through individual purchase orders at a set price as shown in the attached Master Agreement.

The ability for the Department to have a Master Agreement for the purchase of metal campfire rings and pedestal grills is invaluable. Fluctuating prices and increased delivery costs and off-loading costs have continued to rise while available staff time to process invitations for bids, quotes, and request for proposals has become more limited. With this Master Agreement, the Department has set the price schedule for the next five years, until January 11, 2016, and is able to provide better cost estimates for the on-going needs of replacing campfire rings at existing campsites, creating new campsites where no campfire rings currently exist, and providing well-maintained outdoor recreational facilities. Additionally, pedestal grills are used throughout our park system in both fee-paying facilities and non-fee paying facilities for day-use activities. This agreement also sets the price schedule for the purchase and replacement of pedestal grills as needed.

POLICY ISSUE:

Approval of this agenda item supports the Board of Supervisors' priorities of A Strong Local Economy by promoting attractive and well-cared for regional recreational facilities, Effective Partnerships by working with vendors willing to create set price schedules, A Well Planned Infrastructure System by ensuring reliable outdoor recreational opportunities, and Efficient

Recitals

WHEREAS, the County has a need for contractor services involving furnishing, shipping, delivering and offloading to the ground, the various merchandise listed in Exhibit B; and

WHEREAS, the Contractor has agreed to provide such products and services and is specially trained, experienced and competent to perform said services; and

WHEREAS, the County and the Contractor wish to execute one agreement that shall govern all of the work or services provided by the Contractor during the term of this Agreement; and

NOW, THEREFORE, in consideration of the mutual promises, covenants, terms and conditions hereinafter contained, the parties hereby agree as follows:

Terms and Conditions

1. Scope of Work

1.1 The Contractor shall furnish to the County, upon receipt of the County's Purchase Order, various products and services listed in Exhibit A and Exhibit B and which are, by this reference, made a part hereof.

1.2 Each Purchase Order issued by the County against this Agreement is the Contractor's authorization to initiate the ordering process in accordance with the terms and conditions of this Agreement.

1.3 All documents, drawings and written work product prepared or produced by the Contractor under this Agreement, including without limitation electronic data files, are the property of the Contractor; provided, however, the County shall have the right to reproduce, publish and use all such work, or any part thereof, in any manner and for any purposes whatsoever and to authorize others to do so. If any such work is copyrightable, the Contractor may copyright the same, except that, as to any work which is copyrighted by the Contractor, the County reserves a royalty-free, non-exclusive, and irrevocable license to reproduce, publish, and use such work, or any part thereof, and to authorize others to do so.

1.4 Services and merchandise provided by the Contractor at the County's request under this Agreement will be performed and delivered in a timely manner consistent with the requirements and standards established by applicable federal, state and County laws, ordinances, regulations and resolutions, and in accordance with a schedule of work set forth in the scope of work for each separately approved Purchase Order. If there is no schedule, the hours and times for completion of said services and work are to be set by the Contractor; provided, however, that such schedule is subject to review by and concurrence of the County.

2. Consideration

2.1 County shall pay Contractor as set forth in Exhibits A and B, and in the separately approved Purchase Order issued against this Master Agreement.

2.2 Except as expressly provided in this Agreement or in a separately approved Purchase Order, Contractor shall not be entitled to nor receive from County any additional consideration, compensation, salary, wages or other type of remuneration for services rendered under this Agreement. Specifically, Contractor shall not be entitled by virtue of this Agreement to consideration in the form of overtime, health insurance benefits, retirement benefits, disability retirement benefits, sick leave, vacation time, paid holidays or other paid leaves of absence of any type or kind whatsoever.

2.3 County will not withhold any Federal or State income taxes or Social Security tax from any payments made by County to Contractor under the terms and conditions of this Agreement. Payment of all taxes and other assessments on such sums is the sole responsibility of Contractor. County has no responsibility or liability for payment of Contractor's taxes or assessments.

2.4 Pursuant to Penal Code section 484b and to Business and Professions Code section 7108.5, the Contractor must apply all funds and progress payments received by the Contractor from the County for payment of services, labor, materials or equipment to pay for such services, labor, materials or equipment. Pursuant to Civil Code section 1479, the Contractor shall direct or otherwise manifest the Contractor's intention and desire that payments made by the Contractor to subcontractors, suppliers and materialmen shall be applied to retire and extinguish the debts or obligations resulting from the performance of this Agreement.

3. Term

The term of this Agreement shall be from the date of this Agreement and shall end January 11, 2016, or until terminated as provided below. The term for each separately approved Purchase Order shall begin on the date of approval until completion of the agreed upon services, or as otherwise specified in the approved Purchase Order.

3.1 Should either party default in the performance of this Agreement or materially breach any of its provisions, the other party, at that party's option, may terminate this Agreement by giving written notification to the other party.

3.2 This Agreement shall terminate automatically on the occurrence of (a) bankruptcy or insolvency of either party, (b) sale of Contractor's business, (c) cancellation of insurance required under the terms of this Agreement, and (d) if, for any reason, Contractor ceases to be licensed or otherwise authorized to do business in the State of California, and the Contractor fails to remedy such defect or defects within thirty (30) days of receipt of notice of such defect or defects.

3.3 The County may terminate this Agreement at any time for its convenience and at its sole option, in whole or in part, by giving written notice to Contractor. Contractor agrees to waive any claims for damages, including loss of anticipated profits, in the event the County terminates the Agreement as provided for in this paragraph. Upon such termination, the obligations of this Agreement shall continue as to any work already performed and the County shall pay Contractor the amount due for work properly performed as of the date of termination, less any sums previously.

4. Required Licenses, Certificates and Permits

Any licenses, certificates or permits required by the federal, state, county or municipal governments for Contractor to provide the services and work described in Exhibit A must be procured by Contractor and be valid at the time Contractor enters into this Agreement. Further, during the term of this Agreement, Contractor must maintain such licenses, certificates and permits in full force and effect. Licenses, certificates and permits may include but are not limited to driver's licenses, professional licenses or certificates and business licenses. Such licenses, certificates and permits will be procured and maintained in force by Contractor at no expense to the County.

5. Office Space, Supplies, Equipment, Etc.

Unless otherwise provided in this Agreement or in separately approved project or scope of work, Contractor shall provide such office space, supplies, equipment, vehicles, reference materials and telephone service as is necessary for Contractor to provide the services under this Agreement. The Contractor--not the County--has the sole responsibility for payment of the costs and expenses incurred by Contractor in providing and maintaining such items.

6. Insurance

6.1 Contractor shall take out, and maintain during the life of this Agreement, insurance policies with coverage at least as broad as follows:

6.1.1 General Liability. Comprehensive general liability insurance covering bodily injury, personal injury, property damage, products and completed operations with limits of no less than One Million Dollars (\$1,000,000) per incident or occurrence. If Commercial General Liability Insurance or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to any act or omission by Contractor under this Agreement or the general aggregate limit shall be twice the required occurrence limit.

6.1.2 Automobile Liability Insurance. If the Contractor or the Contractor's officers, employees, agents, representatives or subcontractors utilize a motor vehicle in performing any of the work or services under this Agreement, owned/non-owned automobile liability insurance providing combined single limits covering bodily injury, property damage and transportation related pollution liability with limits of no less than One Million Dollars (\$1,000,000) per incident or occurrence.

6.1.3 Workers' Compensation Insurance. Workers' Compensation insurance as required by the California Labor Code. In signing this contract, the Contractor certifies under section 1861 of the Labor Code that the Contractor is aware of the provisions of section 3700 of the Labor Code which requires every employer to be insured against liability for workmen's compensation or to undertake self-insurance in accordance with the provisions of that code, and that the Contractor will comply with such provisions before commencing the performance of the work of this Agreement.

6.2 Any deductibles, self-insured retentions or named insureds must be declared in writing and approved by County. At the option of the County, either: (a) the insurer shall reduce or eliminate such deductibles, self-insured retentions or named insureds, or (b) the Contractor shall provide a bond, cash, letter of credit, guaranty or other security satisfactory to the County guaranteeing payment of the self-insured retention or deductible and payment of any and all costs, losses, related investigations, claim administration and defense expenses. The County, in its sole discretion, may waive the requirement to reduce or eliminate deductibles or self-insured retentions, in which case, the Contractor agrees that it will be responsible for and pay any self-insured retention or deductible and will pay any and all costs, losses, related investigations, claim administration and defense expenses related to or arising out of the Contractor's defense and indemnification obligations as set forth in this Agreement.

6.3 The Contractor shall obtain a specific endorsement to all required insurance policies, except Workers' Compensation insurance and Professional Liability insurance, if any, naming the County and its officers, officials and employees as additional insureds regarding: (a) liability arising from or in connection with the performance or omission to perform any term or condition of this Agreement by or on behalf of the Contractor, including the insured's general supervision of its subcontractors; (b) services, products and completed operations of the Contractor; (c) premises owned, occupied or used by the Contractor; and (d) automobiles owned, leased, hired or borrowed by the Contractor. For Workers' Compensation insurance, the insurance carrier shall agree to waive all rights of subrogation against the County and its officers, officials and employees for losses arising from the performance of or the omission

to perform any term or condition of this Agreement by the Contractor.

6.4 The Contractor's insurance coverage shall be primary insurance regarding the County and County's officers, officials and employees. Any insurance or self-insurance maintained by the County or County's officers, officials and employees shall be excess of the Contractor's insurance and shall not contribute with Contractor's insurance.

6.5 Any failure to comply with reporting provisions of the policies shall not affect coverage provided to the County or its officers, officials, employees or volunteers.

6.6 The Contractor's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

6.7 Each insurance policy required by this section shall be endorsed to state that coverage shall not be suspended, voided, canceled by either party except after thirty (30) days' prior written notice has been given to County. The Contractor shall promptly notify, or cause the insurance carrier to promptly notify, the County of any change in the insurance policy or policies required under this Agreement, including, without limitation, any reduction in coverage or in limits of the required policy or policies.

6.8 Insurance shall be placed with California admitted insurers (licensed to do business in California) with a current rating by Best's Key Rating Guide acceptable to the County; provided, however, that if no California admitted insurance company provides the required insurance, it is acceptable to provide the required insurance through a United States domiciled carrier that meets the required Best's rating and that is listed on the current List of Eligible Surplus Line Insurers maintained by the California Department of Insurance. A Best's rating of at least A-VII shall be acceptable to the County; lesser ratings must be approved in writing by the County.

6.9 Contractor shall require that all of its subcontractors are subject to the insurance and indemnity requirements stated herein, or shall include all subcontractors as additional insureds under its insurance policies.

6.10 At least ten (10) days prior to the date the Contractor begins performance of its obligations under this Agreement, Contractor shall furnish County with certificates of insurance, and with original endorsements, showing coverage required by this Agreement, including, without limitation, those that verify coverage for subcontractors of the Contractor. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. All certificates and endorsements shall be received and, in County's sole and absolute discretion, approved by County. County reserves the right to require complete copies of all required insurance policies and endorsements, at any time.

6.11 The limits of insurance described herein shall not limit the liability of the Contractor and Contractor's officers, employees, agents, representatives or subcontractors.

7. Defense and Indemnification

7.1 To the fullest extent allowed by law, Consultant shall defend, indemnify, and hold harmless the County and its officers, agents, employees and representatives from and against any and all claims, actions, losses, injuries, damages or expenses of every name, kind, and description, including litigation costs and reasonable attorney's fees incurred, brought for or on account of, injury to or death of any person, including but not limited to workers, County employees, and the public, or damage to property, which arise out of, pertain to, or relate to, directly or indirectly, in whole or in part, the negligence, recklessness, or willful misconduct of Consultant, its officers, agents, employees, volunteers, representatives, contractors and subcontractors, excluding, however, such liabilities caused in part by the sole negligence, active negligence or willful misconduct of the County, its agents, employees, and representatives.

7.2 Contractor's obligation to defend, indemnify and hold the County and its agents, officers and employees harmless under the provisions of this paragraph is not limited to or restricted by any

requirement in this Agreement for Contractor to procure and maintain a policy of insurance.

8. Status of Contractor

8.1 All acts of Contractor and its officers, employees, agents, representatives, subcontractors and all others acting on behalf of Contractor relating to the performance of this Agreement, shall be performed as independent contractors and not as agents, officers or employees of County. It is understood by both Contractor and County that this Agreement shall not be construed or considered under any circumstances to create an employer-employee relationship or a joint venture.

8.2 At all times during the term of this Agreement, the Contractor and its officers, employees, agents, representatives or subcontractors are, and shall represent and conduct themselves as, independent contractors and not employees of County.

8.3 Contractor shall determine the method, details and means of performing the work and services to be provided by Contractor under this Agreement. Contractor shall be responsible to County only for the requirements and results specified in this Agreement and, except as expressly provided in this Agreement, shall not be subjected to County's control with respect to the physical action or activities of Contractor in fulfillment of this Agreement. Contractor has control over the manner and means of performing the services under this Agreement. Contractor is permitted to provide services to others during the same period service is provided to County under this Agreement. If necessary, Contractor has the responsibility for employing other persons or firms to assist Contractor in fulfilling the terms and obligations under this Agreement.

8.4 If in the performance of this Agreement any third persons are employed by Contractor, such persons shall be entirely and exclusively under the direction, supervision and control of Contractor. All terms of employment including hours, wages, working conditions, discipline, hiring and discharging or any other term of employment or requirements of law shall be determined by the Contractor.

8.5 It is understood and agreed that as an independent Contractor and not an employee of County, the Contractor and the Contractor's officers, employees, agents, representatives or subcontractors do not have any entitlement as a County employee, and do not have the right to act on behalf of the County in any capacity whatsoever as an agent, or to bind the County to any obligation whatsoever.

8.6 It is further understood and agreed that Contractor must issue W-2 forms or other forms as required by law for income and employment tax purposes for all of Contractor's assigned personnel under the terms and conditions of this Agreement.
