Approval to Award a Contract to Redwood Toxicology For Drug Testing Services at the Probation Department

DISCUSSION:

On March 22, 2011, the General Services Agency (GSA) released a Request for Proposal for drug testing services at the Probation Department. The deadline for submission of proposals was April 21, 2011.

Qualified and experienced vendors were asked to submit a proposal to perform routine drug screens on submitted samples, and to provide results on these samples and perform other related services as requested by the Probation Department.

An evaluation team consisting of management staff from the Probation Department reviewed the proposals, using a scoring method that evaluated experience, quality of proposal, responsiveness to stated requirements, and cost.

There were five proposals submitted. After evaluating all proposals, it is recommended that Redwood Toxicology be awarded the contract for drug testing services at the Probation Department. The proposed costs for routine testing is \$4.00, a slight decrease, with additional services available for separate fees. The contract is scheduled for five years, with an option to renew for an additional two years.

The Probation Department currently performs approximately 8,000 drug screens annually. Department staff collects the urine specimen while observing clients to avoid false samples, complete paperwork and prepare for pickup by mail carrier. Clients are required to state ahead of time what other medications/foods they have ingested so as to explain the possible drug test outcome. Redwood Toxicology will provide all labor, materials, equipment, and incidentals to perform drug testing on samples provided by Stanislaus County and deliver the test results to the Probation Department within 24 hours.

POLICY ISSUES:

The proposed contract with Redwood Toxicology for drug testing services at the Probation Department will meet the Board's priorities for a Safe Community by holding offenders accountable to the terms of their probation.

STAFFING IMPACTS:

Probation Department staff will continue to collect specimens on site. The contractor picks up all specimens daily for testing and reports results.

In signing this contract, the Contractor certifies under section 1861 of the Labor Code that the Contractor is aware of the provisions of section 3700 of the Labor Code which requires every employer to be insured against liability for workmen's compensation or to undertake self-insurance in accordance with the provisions of that code, and that the Contractor will comply with such provisions before commencing the performance of the work of this Agreement.

6.2 Any deductibles, self-insured retentions or named insureds must be declared in writing and approved by County. At the option of the County, either: (a) the insurer shall reduce or eliminate such deductibles, self-insured retentions or named insureds, or (b) the Contractor shall provide a bond, cash, letter of credit, guaranty or other security satisfactory to the County guaranteeing payment of the self-insured retention or deductible and payment of any and all costs, losses, related investigations, claim administration and defense expenses. The County, in its sole discretion, may waive the requirement to reduce or eliminate deductibles or self-insured retentions, in which case, the Contractor agrees that it will be responsible for and pay any self-insured retention or deductible and will pay any and all costs, losses, related investigations, claim administration and defense expenses related to or arising out of the Contractor's defense and indemnification obligations as set forth in this Agreement.

6.3 The Contractor shall obtain a specific endorsement to all required insurance policies, except Workers' Compensation insurance and Professional Liability insurance, if any, naming the County and its officers, officials and employees as additional insureds regarding: (a) liability arising from or in connection with the performance or omission to perform any term or condition of this Agreement by or on behalf of the Contractor, including the insured's general supervision of its subcontractors; (b) services, products and completed operations of the Contractor; (c) premises owned, occupied or used by the Contractor; and (d) automobiles owned, leased, hired or borrowed by the Contractor. For Workers' Compensation insurance, the insurance carrier shall agree to waive all rights of subrogation against the County and its officers, officials and employees for losses arising from the performance of or the omission to perform any term or condition of this Agreement by the Contractor.

6.4 The Contractor's insurance coverage shall be primary insurance regarding the County and County's officers, officials and employees. Any insurance or self-insurance maintained by the County or County's officers, officials and employees shall be excess of the Contractor's insurance and shall not contribute with Contractor's insurance.

6.5 Any failure to comply with reporting provisions of the policies shall not affect coverage provided to the County or its officers, officials, employees or volunteers.

6.6 The Contractor's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

6.7 Each insurance policy required by this section shall be endorsed to state that coverage shall not be suspended, voided, canceled by either party except after thirty (30) days' prior written notice has been given to County. The Contractor shall promptly notify, or cause the insurance carrier to promptly notify, the County of any change in the insurance policy or policies required under this Agreement, including, without limitation, any reduction in coverage or in limits of the required policy or policies.

6.8 Insurance shall be placed with California admitted insurers (licensed to do business in California) with a current rating by Best's Key Rating Guide acceptable to the County; provided, however, that if no California admitted insurance company provides the required insurance, it is acceptable to provide the required insurance through a United States domiciled carrier that meets the required Best's rating and that is listed on the current List of Eligible Surplus Line Insurers maintained by the California Department of Insurance. A Best's rating of at least A-VII shall be acceptable to the County; lesser ratings must be approved in writing by the County.

6.9 Contractor shall require that all of its subcontractors are subject to the insurance and indemnity requirements stated herein, or shall include all subcontractors as additional insureds under its insurance policies.

6.10 At least ten (10) days prior to the date the Contractor begins performance of its obligations under this Agreement, Contractor shall furnish County with certificates of insurance, and with original endorsements, showing coverage required by this Agreement, including, without limitation, those that verify coverage for subcontractors of the Contractor. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. All certificates and endorsements shall be received and, in County's sole and absolute discretion, approved by County. County reserves the right to require complete copies of all required insurance policies and endorsements, at any time.

6.11 The limits of insurance described herein shall not limit the liability of the Contractor and Contractor's officers, employees, agents, representatives or subcontractors.

7. Defense and Indemnification

7.1 To the fullest extent permitted by law, Contractor shall indemnify, hold harmless and defend the County and its agents, officers and employees from and against all claims, damages, losses, judgments, liabilities, expenses and other costs, including litigation costs and attorneys' fees, arising out of, resulting from, or in connection with the performance of this Agreement by the Contractor or Contractor's officers, employees, agents, representatives or subcontractors and resulting in or attributable to personal injury, death, or damage or destruction to tangible or intangible property, including the loss of use; provided, however, such indemnification shall not extend to or cover loss, damage or expense arising from the sole negligence or willful misconduct of the County or its agents, officers and employees.

Contractor is permitted to provide services to others during the same period service is provided to County under this Agreement. If necessary, Contractor has the responsibility for employing other persons or firms to assist Contractor in fulfilling the terms and obligations under this Agreement.

8.4 If in the performance of this Agreement any third persons are employed by Contractor, such persons shall be entirely and exclusively under the direction, supervision and control of Contractor. All terms of employment including hours, wages, working conditions, discipline, hiring and discharging or any other term of employment or requirements of law shall be determined by the Contractor.

8.5 It is understood and agreed that as an independent Contractor and not an employee of County, the Contractor and the Contractor's officers, employees, agents, representatives or subcontractors do not have any entitlement as a County employee, and do not have the right to act on behalf of the County in any capacity whatsoever as an agent, or to bind the County to any obligation whatsoever.

Contractor shall provide County with court representation/testimony at a cost of three hundred and fifty (\$350.00) dollars per day plus travel, a daily meal per-diem and hotel cost not to exceed the county and state rates, and any other related travel cost. Contractor shall not allow any of its employees who are on probation and/or parole or have a criminal background to provide services under this Agreement.

10. All services provided by Contractor and the manner in which services are to be provided are more particularly set forth in the County's Request for Proposal #11-10-CB; the Contractor's responding proposal (the "RFP Response"); Notice to Proposers; Information for Proposers; General Conditions, as well as any plans, specifications, addenda, and any documents particularly required or provided (as may be applicable), all of which are incorporated herein by reference and made a part hereof (collectively, the "RFP").
