Approval to Introduce and Waive the First Reading of an Ordinance to Amend Title 11, Section 11.08.120, of the Stanislaus County Code, Amending a No Truck Parking Zone on Service Road in Stanislaus County, Ceres Area

DISCUSSION:

Businesses along the south side of Service Road, west of the intersection with Crows Landing Road, have requested a No Truck Parking Zone along the front of their businesses. Trucks are parking in front of their businesses/gates blocking customers and employees from entering their businesses. The trucks also cause line of sight problems for the vehicles entering the roadway.

After a review of this portion of Service Road the Department of Public Works Traffic Engineering staff recommends amending the No Truck Parking Zone to include this portion of Service Road to help alleviate the blocking of the entrances of various businesses and ensure a safe travel way for motorists and pedestrians along this portion of the County roadway.

POLICY ISSUES:

This action is consistent with the Board's priorities of providing A Safe Community, A Healthy Community and A Well Planned Infrastructure System by ensuring a safe travel way for motorists and pedestrians along this portion of the County roadway. California Vehicle Code 22506 requires Board approval to change and/or add parking zones.

STAFFING IMPACT:

There is no staffing impact associated with this item.
