

BOARD OF SUPERVISORS

**PERMIT MODIFICATION NOTICE**

On behalf of the United States Department of the Army, Ahtna Engineering Services is providing this public notice to inform you of a Class I permit modification for the following hazardous waste management facility:

Riverbank Army Ammunition Plant (RBAAP)  
5300 Claus Road  
Riverbank, California 95367

This Class I permit modification for Hazardous Waste Facility Permit 97-NC-012, incorporates administration and information changes regarding updates to the facility operator and contact personnel. This Class I permit modification has been processed by the Department of Toxic Substances Control (DTSC), Environmental Restoration Program Office of Permitting, pursuant to the California Code of Regulations, Title 22, Section 66270.42 (a).

The RBAAP ceased production activities in 2010 and is currently pursuing closure of the Hazardous Waste Facility Permit in preparation for the ultimate transfer of the facility to the City of Riverbank.

To obtain further information regarding the Class I permit modification, interested persons may contact:
