DISCUSSION:

Behavioral Health and Recovery Services (BHRS) is experiencing an increased demand to place adults with a serious mental illness in treatment facilities. On May 22, 2012, the Board of Supervisors approved an agreement with California Psychiatric Transitions, Inc. to provide care for BHRS clients with a serious mental illness in need of an Institution for Mental Disease (Board Order No. 2012-237). On December 4, 2012, the Board of Supervisors approved an amendment to the agreement with California Psychiatric Transitions, Inc. to provide 799 additional bed days to accommodate the increased need. The amendment increased the agreement with California Psychiatric Transitions, Inc. by \$268,600, from the original contract maximum of \$267,000 to \$535,600. Behavioral Health and Recovery Services requests approval for a second amendment to the agreement with California Psychiatric Transitions, Inc. to increase the contract maximum in Fiscal Year 2012-2013 by an additional \$137,900 (from \$535,600 to \$673,500). This would increase the number of bed days by another 650 (from 1,100 to 1,750) and increase the number of days of enhanced services by 100 (from 150 to 250).

On June 19, 2012, the Board of Supervisors approved an agreement with the Center for Human Services to provide high quality community located Alcohol and Other Drug (AOD) Intensive Outpatient Program (IOP) services for men and women who reside in Stanislaus County and meet the guidelines and eligibility to receive these federally funded services. Behavioral Health and Recovery Services requests approval of an amendment to the agreement with the Center for Human Services to increase the Alcohol and Other Drug, Intensive Outpatient Program services in order to expand the services delivered in all areas and to add an additional area of service in the community. The original agreement was to provide services in Modesto and Patterson. The amendment expands the services provided in Modesto and Patterson and adds services in West Modesto, by adding \$150,000 to the original contract amount of \$150,000, bringing the contract maximum for the Fiscal Year 2012-2013 to \$300,000.
