DISCUSSION:

The Child Abuse Interview, Referral and Evaluation (CAIRE) Center is a component of Child Welfare Services Emergency Response and a partnership project of the District Attorney, the Community Services Agency (CSA)-Child & Family Services and all of the law enforcement agencies of Stanislaus County, as well as various other community partners located at the Stanislaus Family Justice Center. The CAIRE Center provides forensic interviewing services on child abuse cases. The services are available to any child in the County who is a victim of or a witness to a crime. The goal of the CAIRE Center is to prevent retraumatization of children by minimizing the number of investigative interviews to which they must be subjected, and to provide a professional video interview for the investigators. Children are interviewed by a forensic interviewer while other members of the investigating team observe out of sight in an observation room. After the interview, the child and family are provided behavioral health treatment and referral services.

Since 2005, the CAIRE Center has been accredited through the National Children's Alliance (NCA) in Washington, DC. NCA is a nationwide not-for-profit membership organization whose mission is to promote and support communities in providing a coordinated investigation and comprehensive response to victims of severe child abuse. NCA requires best practice standards be provided in order to receive accreditation.

One of the many benefits of being accredited through NCA is the ability to apply for a \$9,000 noncompetitive grant each calendar year to support child advocacy center services. This grant is offered through the California Network of Child Advocacy Centers, a regional chapter of NCA, and is a collaboration between the Office of Juvenile Justice and Delinquency Prevention and National Children's Alliance. CSA has been awarded this grant in the amount of \$10,000 since 2006. In April 2013, CSA applied on behalf of the CAIRE Center for the grant and was awarded \$9,000 for Calendar Year 2013.

The grant money will be used for staff training which is vital to the continued growth and success of the CAIRE Center and is essential to practicing culturally competent best practices. Training funds have traditionally been limited for CAIRE Center partners and provided at annual conferences. This year the training is offered at the Crimes Against Children Conference in Dallas, Texas in August 2013. Training will be provided to a team of CAIRE Center partner staff, including a representative from the District Attorney's Office, law enforcement, child welfare, mental health, a forensic interviewer, and a victim's advocate.

It is recommended that the Board of Supervisors authorize the acceptance of this grant for Calendar Year 2013.

POLICY ISSUES:

Acceptance of this grant supports the Board's priorities of A Safe Community, Effective Partnerships and Efficient Delivery of Public Services by supporting continued collaboration to
