Dear Sirs and Madams,

This letter is to advise the agencies identified above that Sutter Central Valley Hospitals *dba* Memorial Medical Center, a California nonprofit public benefit corporation, unfortunately finds it necessary and plans to terminate the employment of a number of employees, which may entail a "layoff" under WARN.

The following locations affected for layoff are:

Sutter Central Valley Hospitals dba Memorial Medical Center
1800 Coffee Road

It is anticipated that these will be permanent terminations and that employee separations are expected to commence on or about September 13, 2013. These terminations will affect a

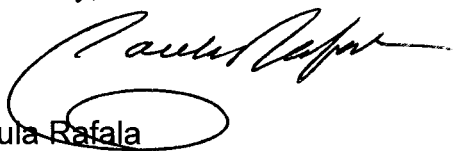

total of approximately 2 employees in various positions in this facility, as identified by job titles below:

The job titles of positions and number of affected employees by the layoff are:
