## Approval to Adopt a Resolution Certifying the Stanislaus County Maintained Road System Mileage

### **DISCUSSION:**

Section 2121 of the California Streets and Highways (S&H) Code provides that the County shall submit to the California Department of Transportation (Caltrans) an inventory of its maintained mileage each year. This inventory includes all additions and exclusions of its mileage of maintained county roads for the previous year. The previous maintained mileage report was adopted by the Board of Supervisors on May 07, 2013.

The main objective of this activity is to supply the necessary information for distribution of HUTA funds in accordance with Section 2104 of the S&H Code.

The total maintained mileage as of December 31, 2013 is 1,512.78 miles. This is a net decrease of 0.16 miles from the previously reported mileage of 1,512.94 miles as of December 31, 2012. This net decrease is summarized in Exhibit A.

### **POLICY ISSUES:**

Approval of the maintained mileage is an integral part of Public Works' funding for road maintenance and repair through HUTA fund allocation and supports the Board's priority of A Well Planned Infrastructure System.

### **STAFFING IMPACT:**

There are no staffing impacts associated with this item.
