CEO Concurs with Recommendation YES NO

(Information Attached)

4/5 Vote Required YES NO

SUBJECT:

Approval to Sell Tax-Defaulted Properties, to Re-offer Parcels for Sale, and to Authorize the Treasurer-Tax Collector to Exempt Federal and State Government Lands, and One Property Which is Not Saleable from Tax Sale

STAFF RECOMMENDATIONS:

1. Pursuant to Section 3694 of the Revenue and Taxation Code, the Treasurer-Tax Collector requests approval from the Board of Supervisors for the sale of the tax-defaulted properties for the minimum bids as described on the attached list.
2. Pursuant to Section 3698.5(c) of the Revenue and Taxation Code, authorize the Treasurer-Tax Collector to re-offer those parcels which did not obtain the minimum bids during previous sale at a price which is deemed appropriate by the Treasurer-Tax Collector.

- Continued on Page 2 -

FISCAL IMPACT:

The sale may prompt the property owners to pay the amounts due prior to the sale as shown in the attachment. If the property owners do not pay the due amount prior to the date of the tax sale, the delinquent tax amount will be paid when the property is sold to the successful bidders. The ultimate goal is to return these properties to a revenue generating status.

STAFF RECOMMENDATIONS CONTINUED:

3. Pursuant to Section 202 of the Revenue and Taxation Code, Section 3 of Constitution Article XIII and Federal Law, authorize the Treasurer Tax Collector to exempt those parcels which are owned by the Federal, State and Local Governments from the Tax Sale.

FISCAL IMPACT CONTINUED:

In Attachment #1, titled "List of Properties for Delinquent Tax Sale", the Amount Due is sufficient to pay the delinquent taxes, assessments and fees except item numbers 16, 17, 18, 19, 95, and 125. The minimum bid amounts for the six named parcels will be less than the amounts due because these parcels were offered for sale last year but were not sold. The amounts shown in the column "Minimum Bid" are rounded off to the nearest hundredth for practical and convenient purposes. Any amount collected over and above the amount due during the tax sale may be claimed by parties of interest per Revenue and Taxation Code. Since the County will be offering six parcels for sale at a reduced minimum bid price, there may be a potential loss of \$59,746.83. This loss would be absorbed by the County and respective assessing agencies. The difference between the overall total amount due of \$2,928,546.83 as shown in the "Amount Due" and \$2,868,800.00 shown in the "Minimum Bid" columns is due to the reduced minimum price and the rounding off to the nearest hundredth.

DISCUSSION:

Pursuant to Section 3698 of the Revenue and Taxation Code, it is the intention of the Treasurer-Tax Collector to sell at public auction the tax-defaulted properties described in Attachment #1, shown as "List of Properties for Delinquent Tax Sale". The subject properties will be offered for a minimum bid, which covers the delinquency amount. The minimum bid covers the amount owed to the County except for the Reoffer parcels and is noted in the list along with a description of said property and the last Assessee of Record.

The Reoffer parcels were offered for sale for the delinquency amounts due at the February 2014 auction but did not sell. Therefore, the minimum bids are reduced due to the size and/or condition of the properties.

In accordance with the California Revenue and Taxation Code Section 3698.5(c), where the property or property interests have been offered for sale at least once and no acceptable bids have been received at the minimum price determined, the Tax Collector may, in his or her discretion and with the approval of the board of supervisors, offer that

Page 3

same property or those interests at the same or next scheduled sale at a minimum price that the tax collector deems appropriate in light of the most current assessed valuation of that property or those interests, or any unique circumstances with respect to that property or those interests.

In Attachment #2, titled "List of Properties Exempt from the Delinquent Tax Sale", shows properties owned by either Federal, State and/or Local Governments or have been offered at auction several times previous. In the best interest of the County and applicable laws, the Treasurer Tax Collector does not intend to offer the parcels owned by either Federal, State and/or Local Governments for sale. These parcels are exempt from levy of County property taxes. The only assessments delinquent on these parcels are the direct charges levied by the Stanislaus Consolidated Fire Protection District. Pursuant to Section 202 of Revenue and Taxation Code, Section 3 of the Constitution Article XIII and Federal Law, the properties owned by public agencies should not be sold through tax sale and therefore, these properties should be exempt from the eligible properties that are subject to power to sell. This information has been discussed with County Counsel.

Item 15 on the list of exempted parcels has been offered for sale three times during 2012, 2013 and 2014, and there have been no bidders each time. The only assessment on this parcel is a direct charge levied by the Stanislaus Consolidated Fire Protection District. The Tax Collector's office requested this agency to review the validity of the assessment and remove the assessment based on the size of the property. The parcel is a small triangle of land approximately 450 square feet adjacent to a sidewalk. However, the Stanislaus Consolidated Fire Protection District asserts that the assessment is genuine.

POLICY ISSUES:

This agenda item complies with the requirements of Revenue and Taxation Code 3694 wherein the sale of tax-defaulted properties may only take place if approved by the Board of Supervisors.

Approval of this agenda item will support the Board's priority of Efficient Delivery of Public Services.

STAFFING IMPACT:

There is no staffing impact associated with this item.
