**TITLE 14. Fish and Game Commission  
Notice of Proposed Changes in Regulations**

**NOTICE IS HEREBY GIVEN** that the Fish and Game Commission (Commission), pursuant to the authority vested by Section 108 of the Fish and Game Code and to implement, interpret or make specific sections 108 and 207 of the Fish and Game Code and sections 11340.6 and 11340.7 of the Government Code, proposes to add Section 662, Title 14, California Code of Regulations, relating to petitions for regulation change.

**Informative Digest/Policy Statement Overview**

Under current law (Government Code Section 11340.6) any interested person may petition the Fish and Game Commission (Commission) to adopt, amend or repeal a regulation. This section also requires that any petition clearly and concisely state the substance or nature of the requested regulation change, the reason for the request, and reference to the authority of the Commission to take the requested action.

The proposed action adds new Section 662, Title 14, California Code of Regulations (CCR). The proposed regulation outlines the process under which petitions will be evaluated and scheduled for receipt and Commission action and requires the use of the form entitled "PETITION TO THE CALIFORNIA FISH AND GAME COMMISSION FOR REGULATORY CHANGE," FGC 1 (New 10/23/14, and being incorporated by reference), for submitting regulation change proposals.

The benefits of the proposed regulation are increased transparency and understanding of the Commission's regulatory process and consistency in the processing of public requests for regulation change.

Commission staff has searched the CCR and has found that the proposed regulation is neither inconsistent nor incompatible with existing state regulations.

**NOTICE IS GIVEN** that any person interested may present statements, orally or in writing, relevant to this action at a hearing to be held in the Airtel Plaza Hotel, 7277 Valjean Avenue, Van Nuys, California, on Wednesday, December 3, 2014 at 8:30 a.m., or as soon thereafter as the matter may be heard.
