Chairman and fellow Commission members,

After serving for nearly three years with you I must now ask that you please accept my resignation from the Stanislaus County Veteran's Advisory Commission effective Sunday, March 1st 2015. I have reflected on this decision carefully and for some time, and due to my current schedule regretfully I believe this is the correct course to take.

It has been a pleasure and an honor to stand with you as citizen voices serving to protect the rights of our fellow veterans in all matters related to Stanislaus County; and to act as a liaison in such matters to the Stanislaus County Board of Supervisors. I trust that the Board will carefully choose another veteran to act with the same passion for veterans that our team has shown to date.

As a member of the very first group of commissioners since Stanislaus County created this commission in 2012, I will always be that much more grateful to have been given the opportunity to help set up the Veterans Commission. I wish you all the best, and may God continue to bless and protect our veterans.

Very truly yours

Douglas L. Miller
Commissioner At-Large
Stanislaus County Veterans Advisory Commission
