Approval to Introduce and Waive the First Reading of an Ordinance to Amend Title 11, Section 11.08.020: Red Curb Marking - Streets Designated, of the Stanislaus County Code, to include portions of Galaxy Way and Robertson Road in Stanislaus County, Modesto Area

## **DISCUSSION:**

The City of Modesto Transit Division has requested portions of roadway in the County be designated as No Parking zones adjacent to existing Modesto Area Express (MAX) bus stops. At this time, two locations are stops along portions of Galaxy Way in North Modesto and Robertson Road in West Modesto. The City of Modesto will apply the red paint on the curb at their cost.

The City has identified a need to address the issue of vehicles parking in front of the aforementioned bus stops. When vehicles are parked adjacent to the stops, buses do not have access to the raised curbs at the stops. This results in a larger step for passengers entering and exiting the bus. The City proposes to install a concrete pad at the Galaxy Way location in accordance with the Americans with Disabilities Act along with the No Parking zone at their cost.

At the Robertson Road location, when vehicles are parked adjacent to the MAX bus stop, the bus is required to pull forward and make a stop where there is not any sidewalk, causing accessibility issues.

Please reference Exhibits 1 & 2 for location maps.

In order to allow the curbs to be designated No Parking zones, the County Traffic Engineering Division recommends the Board of Supervisors amend the Stanislaus County Code to include Galaxy Way and Robertson Road as No Parking zones in order to alleviate these transit issues.

## **POLICY ISSUES:**

This action is consistent with the Board's priorities of providing a Well Planned Infrastructure System by ensuring a safe travel way for pedestrians along these portions of the County roadway. California Vehicle Code 22506 requires Board approval to change and/or add any parking zones.

## **STAFFING IMPACT:**

There is no staffing impact associated with this item.
