For Federal Fiscal Year 2015, the portion of California's Edward Byrne Memorial Justice Assistance Grant (JAG) Allocation available for funding through the Board of State Community Correction (BSCC) is \$16,669,430. This money was made available through a competitive process to the 58 counties in California. Each county competed for these funds with counties of similar population. Stanislaus County is in the Medium County (population 200,001-700,000) category and as such was eligible for up to \$715,000 of annual funding for each of the 3 years on a competitive basis.

DISCUSSION:

Background

Due to the reduced time frame within which the JAG steering committee was formed and when the application was due (November 24) the grant application has already been submitted on behalf of Stanislaus County.

Stanislaus County applied for funding of \$715,000 per year from the JAG program and was notified by the BSCC on February 1, 2015 that the application has been recommended for funding. Years 2 and 3 of the grant are funded on a non-competitive basis. Previously this program was administered by California Emergency Management Agency and was distributed annually to recipients on a non-competitive basis. On July 1, 2012, responsibility for administering the JAG Program in California transitioned to the BSCC and they elected to make the process competitive on the basis of the population of the County. Stanislaus County with a population of approximately 514,500 is a Medium County (population 200,001-700,000) and competed against applications from the other 13 Medium sized counties within the state. The BSCC funds up to 7 grant applications at a maximum annual amount of \$715,000 per year.

The BSCC required all grant applicants for the JAG funding to apply for JAG funding and form a steering committee to ensure:

- Stakeholder collaboration,
- Letters of Agreement and Operations Agreements,
- A Governing Board Resolution,
- Annual Audits,
- Proper processing of invoices, and
- A listing of outside Grant Funds.

Stakeholder Collaboration

All applicant counties had to form a JAG steering committee made up of a diverse cross section with expertise in the prospective problem areas to be addressed by the JAG proposal. The BSCC requires that this committee be composed of both traditional and non-traditional stakeholders. The Stanislaus County JAG steering committee was formed with traditional members such as the Sheriff's Department, Probation, District Attorney's Office, Stanislaus Drug Enforcement Agency, and the Modesto Police Department. Non-traditional stakeholders comprised of the Boys and Girls Club, the National Association for

the Advancement of Colored People (NAACP), Family Justice Center, El Concilio and the Community Services Agency were also invited to join. The Stanislaus County JAG steering committee has elected to target youth who are at risk for drug use, gang activity and violence and provide educational and support services to help these affected youth to make better choices in their lives for the Prevention and Education Program Purpose Area. In order to best reach desired outcomes, the committee elected to provide funding to the SDEA for the Drug Enforcement Program Purpose Area.

Letters of Agreement and Operational Agreements

The Department collected Letters of Agreement from the Steering Committee members, which were submitted with the JAG application. If approved, Operational Agreements (as appropriate) will be submitted to the BSCC along with the Board of Supervisors Resolution.

Governing Board Resolution

Prior to accepting a fund award, Stanislaus County must submit a signed resolution from the Stanislaus County Board of Supervisors. This was not necessary for the application, but is a requirement to accept the JAG award.

Annual Audit

The Committee must also complete an audit of the grant within 120 days of the end of each 12-month grant period and ensure funds have been allocated from this grant to pay for those services.

Proper Invoices

As the fiscal agent for this grant, the Sheriff's Department will be responsible for submitting invoices to the BSCC on a quarterly basis, within 45 days following the end of the quarter.

A List of Outside Grant Funds

The Sheriff's Department compiled and submitted a "List of Other Grant Funding Sources" with the proposal packet as required by the grant application.

Grant Fiscal Agent

The Stanislaus County Sheriff's Department was identified as the fiscal agent for the grant and submitted a joint application with the other members of the JAG steering committee for the total grant amount of \$715,000.

The recommended distribution of the JAG funds for calendar years 2015, 2016 and 2017 are as follows:

	2015	2016	2017
Sheriff	\$ 56,750	\$ 45,713	\$ 44,301
SDEA	\$ 264,792	\$ 317,798	\$ 317,798
Probation	\$ 96,665	\$ 113,718	\$ 113,718
Family Justice Center	\$ 77,533	\$ 88,616	\$ 89,077
Applied Performance Sciences	\$ 29,620	\$ 29,620	\$ 29,620
Boys and Girls Club	\$ 189,640	\$ 119,535	\$ 120,486
TOTAL	\$ 715,000	\$ 715,000	\$ 715,000

Sheriff's Department

As the fiscal agent for this JAG award the Sheriff's Department will have the responsibility to track and verify the expenses that will be charged to this grant. The Sheriff will use \$45,000 of the grant funds the first year, \$34,713 the second year and \$33,301 the third year for data collection, reporting and evaluation, \$11,000 each year to audit the grant and \$750 in the first year for training costs. The Sheriff's Department will be responsible for reporting financial and statistical information on a quarterly basis to the Board of State and Community Corrections.

Stanislaus Drug Enforcement Agency

The Stanislaus Drug Enforcement Agency is a task force comprised of members from local, state, and federal law enforcement agencies who are working together to curb drug abuse and related crimes within Stanislaus County. The Agency will use \$264,792 in year 1 and then \$317,798 in each of years 2 and 3 to fund one Senior Crime/Intel Analyst, one Accounting Technician, one Police Clerk and one Community Service Officer. The amount in year 1 is reduced because it is only 10 months' worth of salaries and benefits for the positions listed above. The grant period begins March 1, 2015; years 2 and 3 will pay a full 12 months' salary and benefits for the position.

These positions are already in place funded through an earlier version of a JAG

grant that ended September 30, 2014. The positions have since been funded by the SDEA in the interim period pending the new JAG award.

Probation Department

The Probation Department will use \$96,665 the first year and \$113,718 in years 2 and 3 to add one additional Deputy Probation Officer I/II position. This new position will be tasked with coordinating efforts of the members of the JAG steering committee and act as a liaison between the member organizations and the Stanislaus Drug Enforcement Agency. This position will identify at risk children and engage them in the programs proposed with this grant application (Art Restores Kids, CAMP Hope, Boys and Girls Club, and Targeted Outreach). Drug Endangered Children (DEC) training for this Probation Officer has been budgeted in the amount of \$1,900 in the first year of the grant. The Probation Department will not need an increase in appropriations for the 2014-2015 Fiscal Year; the Department will be able to absorb four months of appropriations in their current budget.

Stanislaus Family Justice Center

The Stanislaus Family Justice Center will use \$77,533 the first year, \$88,616 the second year and \$89,077 the third year to send children who are victims exposed to domestic violence and/or child victims of assault or abuse to Camp where they will spend 3-6 days learning to break the cycle of domestic violence and to develop hope for a better future. The Family Justice Center will also enhance the Art Restores Kids (ARK) therapy program. The associated costs include a Camp Coordinator, bus transportation to camp, hygiene and camper kits for the children including sleeping bags, meals, camp activities, volunteer screening, art supplies and more.

Applied Performance Sciences

Applied Performance Sciences (APR) is a Mobile Training Unit sending US Navy SEAL instructors to the communities to provide programs such as one proposed for Stanislaus County high schools, titled "Lessons on Teamwork." The Navy SEALs will work with Behavioral Health & Recovery Services to identify the needs of the youth in county schools and formulate the most effective training for the targeted population. APR will provide training at 15 high schools annually in Stanislaus County. This program focuses on student performance and how the use of alcohol, tobacco, and drugs negatively impacts that performance. This program will use \$29,620 each of the three years.

Boys and Girls Club of Stanislaus County

The Boys and Girls Club of Stanislaus County will use \$189,640 the first year, \$119,535 the second year and \$120,486 the third year in JAG Funding to target children between the ages of 6 and 18 that are at high risk for involvement or are already involved with delinquency and gangs. These youth are directed toward positive alternatives and away from gangs, gang violence and substance abuse. The Boys and Girls Club will collaborate with local partners to mobilize resources, recruit hard-to-reach youth, mainstream them into appropriate Club programming and monitor their continued performance through individualized case management. The intent is to be able to serve all children and teens currently on waiting lists at a Boys and Girls Club location within Stanislaus County.

b. Access to Books and Records

Make such books, records, supporting documentations, and other evidence available to the BSCC or designees, the Department of General Services, the Department of Finance, the Bureau of State Audits, their designated representatives, and federal government auditors or designees, during the course of the project and for a minimum of three (3) years after acceptance of the final grant project audit. The Contractor shall provide suitable facilities for access, monitoring, inspection, and copying of books and records related to the grant-funded project.

c. Non-Discrimination Clause

During the performance of this Agreement, Contractor and its subcontractors shall comply with all Federal statutes relating to non-discrimination, including but not limited to prohibitions against discrimination on the basis of sex, race, color, ancestry, religious creed, national origin, physical disability (including HIV and AIDS), mental disability, medical condition, age or marital status.

ARTICLE 6. PROJECT ACCESS

Grantee shall insure that the BSCC, or any authorized representative, will have suitable access to the project activities, sites, and staff at all reasonable times during project implementation.

ARTICLE 7. RECORDS

- A. The Grantee shall establish an official file for the project. The file shall contain adequate documentation of all actions that have been taken with respect to the project, in accordance with generally accepted government accounting principles.
- B. The Grantee shall establish separate accounting records and maintain documents and other evidence sufficient to properly reflect the amount, receipt, and disposition of all project funds, including grant funds and any matching funds by the Grantee and the total cost of the project. Source documents include copies of all awards, applications, approved modifications, financial records, and narrative reports.

- C. Personnel and payroll records shall include the time and attendance reports for all individuals reimbursed under the grant, whether they are employed full-time or part-time. Time and effort reports are required for consultants and contractors.
- D. The Grantee shall maintain documentation for donated goods and/or services, including the basis for valuation.
- E. Grantee agrees to protect records adequately from fire or other damage. When records are stored away from the Grantee's principal office, a written index of the location of records stored must be on hand and ready access must be assured.
- F. All Grantee records relevant to the project must be preserved a minimum of three (3) years after closeout of the grant project and shall be subject at all reasonable times to inspection, examination, monitoring, copying, excerpting, transcribing, and auditing by the BSCC or designees. If any litigation, claim, negotiation, audit, or other action involving the records has been started before the expiration of the three-year period, the records must be retained until the completion of the action and resolution of all issues which arise from it or until the end of the regular three-year period, whichever is later.

ARTICLE 8. ACCOUNTING AND AUDIT REQUIREMENTS

All funds received by the Grantee shall be deposited into separate fund accounts which identify the funds and clearly show the manner of their disposition. Grantee agrees that the audit and accounting procedures shall be in accordance with generally accepted government accounting principles and practices (see *Accounting Standards and Procedures for Counties*, California State Controller, Division of Local Government Fiscal Affairs) and adequate supporting documentation shall be maintained in such detail so as to provide an audit trail which will permit tracing transactions from support documentation to the accounting records to the financial reports and invoices. The Grantee further agrees to the following audit requirements:

A. Federal Single Audit Act

If the Grantee expends \$500,000 or more in a year in federal funds, Grantee agrees to comply with the provisions pursuant to the Federal Office of Management and Budget Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations." Circular No. A-133 requires non-federal entities that meet the expenditure criteria to have either a single or program-specific audit conducted for that expenditure year.

B. Interim Audit

The BSCC reserves the right to call for a program audit or a system audit at any time between the execution of this Grant Agreement and the completion or termination of the project. At any time, the BSCC may disallow all or part of the cost of the activity or action determined to not be in compliance with the terms and conditions of this Grant Agreement, or take other remedies legally available.

C. Annual Audit

- 1) Within 120 calendar days of this Grant Agreement end date, all Grantees must obtain and submit an annual program audit to the BSCC. Only Grantees expending \$500,000

or more in a year are authorized to use federal funds to pay the costs associated with performing the audit. Should the federal single audit report include this grant project, the Grantee may submit the federal single audit to satisfy the annual audit requirement. The audit shall be prepared in accordance with generally accepted auditing standards and government auditing standards for financial and compliance audits.

- 2) Since the audit function must maintain organizational independence, the Grantee's financial officer for this project shall not perform the annual audit. If the Grantee's internal auditor performs the audit, the auditor must be organizationally independent from the Grantee's accounting and project management functions. Additionally, Grantee's internal auditors who report to the financial officer, or to whom the financial officer reports, shall not perform the audit. The person conducting the audit shall be a certified public accountant, unless a Grantee auditor completes the audit.

ARTICLE 9. CHANGES

- A. Grantee shall immediately advise the BSCC of any significant problems or changes that arise during the course of the project.
- B. No change or modification in the project will be permitted without prior written approval from the BSCC. Changes may include modification to project scope, changes to performance measures, compliance with collection of data elements, and other significant changes in the budget or program components contained in the Application for Funding. Changes shall not be implemented by the project until authorized by the BSCC.

ARTICLE 10. DISBURSEMENT

The Grantee shall be paid in arrears on invoices submitted to the BSCC on the forms or processes determined by the BSCC, certifying to the accuracy of the reports in accordance with generally accepted governmental accounting principles and BSCC regulations, guidelines, policies and procedures.

ARTICLE 11. WITHHOLDING OF GRANT DISBURSEMENTS

- A. The BSCC may withhold all or any portion of the grant funds provided by this Grant Agreement in the event that the Grantee has materially and substantially breached the terms and conditions of this Grant Agreement.
- B. At such time as the balance of federal funds allocated to the Grantee reaches five percent (5 percent), the BSCC shall withhold that amount as security, to be released to the Grantee upon compliance with all grant provisions, including: 1) submittal and approval of the final invoice; 2) submittal and approval of the final progress report; 3) submittal and approval of any additional required reports; and 4) submittal and approval of the final audit.
- C. The BSCC will not reimburse Grantee for costs identified as ineligible for grant funding. If grant funds have been provided for costs subsequently discovered to be ineligible, the

BSCC may either withhold an equal amount from future payments to the Grantee or require repayment of an equal amount to the state by the Grantee.

- D. In the event that grant funds are withheld from the Grantee, the BSCC's Executive Director or designee shall notify the Grantee of the reasons for withholding and advise the Grantee of the time within which the Grantee may remedy the failure or violation leading to the withholding.

ARTICLE 12. TERMINATION

- A. This Grant Agreement may be terminated at any time by the BSCC, where it appears that there will be lack of grant funds available to fulfill this Grant Agreement, provided that after such termination, the Grantee shall be entitled to an amount that equals the eligible project costs that have been incurred by the Grantee prior to such termination.
- B. This Grant Agreement may be terminated after the award of the Grant Agreement but prior to completion of the project, by the BSCC, upon action or inaction by the Grantee that constitutes a material and substantial breach of this Grant Agreement. Such action or inaction by the Grantee includes but is not limited to:
 - 1) Substantial alteration of the scope of the grant project without the prior written approval of the BSCC;
 - 2) Refusal or inability to complete the grant project in a manner consistent with the Application for Funding or approved modifications;
 - 3) Failure to provide the required local match share of the total project costs; if applicable;
 - 4) Failure to meet prescribed assurances, commitments, Grant Agreement, and recording, accounting, auditing, and reporting requirements.
- C. Prior to terminating the Grant Agreement under this provision, the BSCC shall provide the Grantee at least 30 days written notice stating the reasons for termination and effective date thereof. The Grantee may appeal the termination decision in accordance with Article 13.

ARTICLE 13. DISPUTES

- A. Grantee shall continue with the responsibilities under this Agreement during any dispute.
- B. The Grantee may appeal a BSCC staff decision on the basis of alleged misapplication, capricious interpretation of the regulations, policies and procedures, or substantial differences of opinion that may occur concerning the proper application of regulations, policies or procedures.
- C. If the Grantee is dissatisfied with an action of BSCC staff, the Grantee may appeal the cause of the dissatisfaction to the Deputy Director in charge of the Corrections Planning and Programs Division of the BSCC. Such appeals shall be filed within 30 calendar days of the notification of action with which the Grantee is dissatisfied. The appeal shall be in

writing, and shall:

- state the basis for the dissatisfaction;
 - state the action being requested of the Deputy Director; and,
 - include any correspondence/documentation related to the cause for dissatisfaction.
- D. The Deputy Director will review the correspondence and related documentation and render a decision on the appeal within 30 calendar days, except in those cases where the Grantee withdraws or abandons the appeal. The procedural time requirement may be waived with the mutual consent of the Grantee and the Deputy Director.
- E. The Deputy Director may render a decision based on the correspondence and related documentation submitted by the Grantee and may consider other relevant sources of information deemed appropriate. The decision of the Deputy Director shall be in writing and shall provide the rationale for the decision.
- F. If the Grantee is dissatisfied with the decision of the Deputy Director, the Grantee may file a request for review by the BSCC Executive Director. Such a request shall be filed within 30 calendar days after receipt of the Deputy Director's decision. The requested review shall be in writing, and shall:
- state the basis for the dissatisfaction;
 - state the action being requested of the Executive Director; and
 - include any correspondence/documentation related to the appeal.
- G. The Executive Director, after reviewing the appeal and the correspondence related to the review, may decide the matter on the record or request additional information. After a decision is made by the Executive Director, notice of the decision shall be mailed to the Grantee. The decision of the Executive Director shall be final.

ARTICLE 14. WAIVER

The parties hereto may waive any of their rights under this Grant Agreement unless such waiver is contrary to law, provided that any such waiver shall be in writing and signed by the party making such waiver.

10. Grantee agrees that within 120 days of award acceptance, each member of a law enforcement task force funded with these funds who is a task force commander, agency executive, task force officer, or other task force member of equivalent rank, will complete required online (internet-based) task force training. 13. Grantee understands and agrees that it cannot use any federal funds, either directly or indirectly, in support of any contract or subaward to either the Association of Community Organizations for Reform Now (ACORN) or its subsidiaries, without the express prior written approval of OJP, through the BSCC.
14. Grantee agrees to comply with any additional requirements that may be imposed during the grant performance period if the agency determines that the grantee is a high-risk grantee. Cf. 28 C.F.R. parts 66, 70.
15. Grantee agrees to comply with applicable requirements regarding Central Contractor Registration (CCR) and applicable restrictions on subawards to first-tier subgrantees that do not acquire and provide a Data Universal Numbering System (DUNS) number. The details of grantee obligations are posted on the Office of Justice Programs website at <http://www.ojp.gov/funding/ccr.htm> (Award condition: Central Contractor Registration and Universal Identifier Requirements), and are incorporated by reference here. This special condition does not apply to an award to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).
16. Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), the Department encourages grantees and sub-grantees to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this grant, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.
17. Grantee agrees to comply with all applicable laws, regulations, policies, and guidance (including specific cost limits, prior approval, and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences, meetings, trainings, and other events, including the provision of food and/or beverages at such events, and costs of attendance at such events. Information on pertinent laws, regulations, policies, and guidance is available at www.ojp.gov/funding/confcost.htm.
18. Grantee understands and agrees that any training or training materials developed or delivered with funding provided under this award must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at <http://www.ojp.usdoj.gov/funding/ojptrainingguidingprinciples.htm>
19. Grantee agrees that if it currently has an open award of federal funds or if it receives an award of federal funds other than this OJP award, and those award funds have been, are being, or are to be used, in whole or in part, for one or more of the identical cost items for which funds are being provided under this OJP award, the grantee will promptly notify, in writing, the grant

manager for this BSCC award, and if so requested by the BSCC, seek a budget-modification or change-of-project-scope modification to eliminate any inappropriate duplication of funding.

20. Grantee agrees to comply with applicable requirements to report first-tier subawards of \$25,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the grantee and first-tier subgrants of award funds. Such data will be submitted to the FFATA Subaward Reporting System (FSRS). The details of grantee obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the Office of Justice Programs website at <http://www.ojp.gov/funding/ffata.htm> (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here. This condition, and its reporting requirement does not apply to grant awards made to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own operate in his or her name).
21. Grantee agrees that all income generated as a direct result of this award shall be deemed program income. All program income earned must be accounted for and used for the purposes of funds provided under this award, including such use being consistent with the conditions of the award, the effective edition of the OJP Financial Guide and, as applicable, either (1) 28 C.F.R. Part 66 or (2) 28 C.F.R. Part 70 and 2 C.F.R. Part 215 (OMB Circular A-110). Further, the use of program income must be reported quarterly to the BSCC.
22. With respect to this award, federal funds may not be used to pay cash compensation (salary plus bonuses) to any employee of the award recipient at a rate that exceeds 110% of the maximum annual salary payable to a member of the federal government's Senior Executive Service (SES) at an agency with a Certified SES Performance Appraisal System for that year. (An award recipient may compensate an employee at a higher rate, provided the amount in excess of this compensation limitation is paid with non-federal funds.)
23. Grantee agrees to assist BJA and the BSCC in complying with the National Environmental Policy Act (NEPA), the National Historic Preservation Act, and other related federal environmental impact analyses requirements in the use of these grant funds, either directly by the grantee or by a subgrantee. Accordingly, the grantee agrees to first determine if any of the following activities will be funded by the grant, prior to obligating funds for any of these purposes. If it is determined that any of the following activities will be funded by the grant, the grantee agrees to contact BJA.

The grantee understands that this special condition applies to its following new activities whether or not they are being specifically funded with these grant funds. That is, as long as the activity is being conducted by the grantee, a subgrantee, or any third party and the activity needs to be undertaken in order to use these grant funds, this special condition must first be met. The activities covered by this special condition are:

- a. New construction;
- b. Minor renovation or remodeling of a property located in an environmentally or historically sensitive area, including properties located within a 100-year flood plain, a wetland, or habitat for endangered species, or a property listed on or eligible for listing on the National Registrar of Historic Places;
- c. A renovation, lease, or any proposed use of a building or facility that will either (a) result in a change in its basic prior use or (b) significantly change its size;

- d. Implementation of a new program involving the use of chemicals other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in office, household, recreational, or education environments; and
- e. Implementation of a program relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories.

The grantee understands that complying with NEPA may require the preparation of an Environmental Assessment and/or an Environmental Impact Statement, as directed by BJA. The grantee further understands and agrees to the requirements for implementation of a Mitigation Plan, as detailed at <http://www.ojp.usdoj.gov/BJA/resource/nepa/html>, for programs relating to methamphetamine laboratory operations.

Application of This Special Condition to Grantee's Existing Programs or Activities; For any of the grantee's or its subgrantees' existing programs or activities that will be funded by these grant funds, the grantee, upon specific request from BJA, agrees to cooperate with BJA and the BSCC in any preparation by BJA or the BSCC of a national or program environmental assessment of that funded program or activity.

- 24. In order to promote information sharing and enable interoperability among disparate systems across the justice and public safety community, OJP requires grantees to comply with DOJ's Global Justice Information Sharing Initiative (DOJ's Global) guidelines and recommendations for this particular grant. Grantee shall conform to the Global Standards Package (GSP) and all constituent elements, where applicable, as described at: http://www.itojp.gov/gsp_grantcondition. Grantee shall document planned approaches to information sharing and describe compliance to the GSP and appropriate privacy policy and protects shared information, or provide detailed justification for why an alternative approach is recommended.
- 25. JAG funds may be used to purchase bulletproof vests for an agency, but may not be used as the 50 percent match for purposes of the Bulletproof Vest Partnership (BVP) program.
- 26. Grantee agrees to submit a signed certification to the BSCC that all law enforcement agencies receiving vests purchased with JAG funds have a written "mandatory wear" policy in effect. Fiscal agents and state agencies must keep signed certifications on file for any subgrantees planning to utilize JAG funds for bulletproof vest purchases. This policy must be in place for at least all uniformed officers before any JAG funding can be used by the agency for bulletproof vests. There are no requirements regarding the nature of the policy other than it being a mandatory wear policy for all uniformed officers while on duty.
- 27. Bulletproof vests purchased with JAG funds may be purchased at any threat level, make or model, from any distributor or manufacturer, as long as the vests have been tested and found to comply with applicable National Institute of Justice ballistic or stab standards. In addition, bulletproof vests purchased with JAG funds must be American-made. The latest NIJ standard

information can be found here: <http://www.nij.gov/topics/technology/body-armor/safety-initiative.htm>.

28. The grantee agrees that any information technology system funded or supported by OJP funds will comply with 28 C.F.R. Part 23, Criminal Intelligence Systems Operating Policies, if OJP determines this regulation to be applicable. Should OJP determine 28 C.F.R. Part 23 to be applicable, OJP may, at its discretion, perform audits of the system, as per the regulation. Should any violation of 28 C.F.R. Part 23 occur, the grantee may be fined as per 42 U.S.C. 2789g©-(d). The grantee may not satisfy such a fine with federal funds.
29. Grantee agrees to ensure that the State Information Technology Point of Contact receives written notification regarding any information technology project funded by this grant during the obligation and expenditure period. This is to facilitate communication among local and state governmental entities regarding various information technology projects being conducted with these grant funds. In addition, the grantee agrees to maintain an administrative file documenting the meeting of this requirement. For a list of State Information Technology Points of Contact, go to <http://www.itojp.gov/default.aspx?area=policyAndPractice&page=1046>.
30. Grantee agrees to comply with the applicable requirements of 28 C.F.R. Part 38, the Department of Justice regulation governing "Equal Treatment for Faith Based Organizations" (the Equal Treatment Regulation"). The Equal Treatment Regulation provides in part that Department of Justice grant awards of direct funding may not be used to fund any inherently religious activities, such as worship, religious instruction, or proselytization. Grantees of direct grants may still engage in inherently religious activities, but such activities must be separate in time or place from the Department of Justice funded program, and participation in such activities by individuals receiving services from the grantee or a sub-grantee must be voluntary. The Equal Treatment Regulation also makes clear that organizations participating in programs directly funded by the Department of Justice are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion. Notwithstanding any other special condition of this award, faith-based organizations may, in some circumstances, consider religion as a basis for employment. See http://www.ojp.gov/about/ocr/equal_fbo.htm.
31. Grantee acknowledges that all programs funded through subawards, whether at the state or local levels, must conform to the grant program requirements as stated in BJA program guidance.
32. Grantee agrees to comply with the requirements of 28 C.F.R. Part 46 and all Office of Justice Programs policies and procedures regarding the protection of human research subjects, including obtainment of Institutional Review Board approval, if appropriate, and subject informed consent.
33. Grantee agrees to comply with all confidentiality requirements of 42 U.S.C. section 3789g and 28 C.F.R. Part 22 that are applicable to collection, use, and revelation of data or information.

Grantee further agrees, as a condition of grant approval, to submit a Privacy Certificate that is in accord with requirements of 28 C.F.R. Part 22, and in particular, section 22.23.

34. Grantee agrees to monitor subawards under this JAG award in accordance with all applicable statutes, regulations, OMB circulars, and guidelines, including the OJP Financial Guide, and to include the applicable conditions of this award in any subaward. The grantee is responsible for oversight of subgrantee spending and monitoring of specific outcomes and benefits attributable to use of JAG funds by subgrantees. The grantee agrees to submit, upon request, documentation of its policies and procedures for monitoring of subawards under this award.
35. Grantee agrees that funds received under this award will not be used to supplant State or local funds, but will be used to increase the amounts of such funds that would, in the absence of Federal funds, be made available for law enforcement activities.
