BOARD OF SUPERVISORS  
2015 MAR 31 P 1:32

March 23, 2015

Fellow Board Members,

For the last couple of years several members of my family have been beset with health issues that have demanded a considerable amount of my time and energy. It would appear that these issues will only continue to demand ever increasing amounts of my time and attention. Additionally, recent concerns about my own health have developed. I initially thought that with sustained effort I would be equal to the multiple tasks of tending to my family members' needs and working while remaining an effective, responsible member of the Mental Health Board. Instead, my level of functioning in all areas has suffered. I have painfully, hesitantly but unequivocally concluded that I cannot, at this time, continue to give my board duties the attention they deserve. It truly is with a heavy heart that I tender my resignation from the Stanislaus County Mental Health Board effective immediately.

I have cherished my association with BHRS and my fellow board members and will continue to support your efforts from afar. I have the highest regard for each and everyone of you.

Sincerely,

A handwritten signature in black ink, appearing to read "Chris Cataline". The signature is fluid and cursive, with a large initial "C" and a long, sweeping underline.
