4/5 Vote Required YES NO

SUBJECT:

Approval to Set a Public Hearing for June 16, 2015, at 6:35 p.m., to Consider Adjustments to the Stanislaus County Franchise Maximum Rates for Solid Waste Collection Services

STAFF RECOMMENDATIONS:

Set a public hearing for June 16, 2015, at 6:35 p.m., to consider adjustments to Stanislaus County franchise maximum rates for solid waste collection services in Franchise Areas 1, 2, 3, and 4.

FISCAL IMPACT:

Upon approval, increases will be seen in all solid waste collection service charges in the unincorporated areas of Stanislaus County (Franchise Areas 1, 2, 3, and 4), except for Area 4's commercial services, and will be effective July 1, 2015. Subscribers to residential basic service; that is, 1-90 gallon cart, curbside recycling, and bulky item collection, may see changes in their monthly service charges ranging from a .02% increase to a .57% increase.

Approval to Set a Public Hearing for June 16, 2015, at 6:35 p.m., to Consider Adjustments to the Stanislaus County Franchise Maximum Rates for Solid Waste Collection Services

FISCAL IMPACT (CONTINUED):

Proposed commercial bin rate adjustments range from a .06% decrease to a .51% increase and proposed franchise drop-box haul charge adjustments range from a .20% increase to a .60% increase.

DISCUSSION:

The unincorporated portions of Stanislaus County are divided into four separate franchise refuse hauling areas (Franchise Areas), each of which contain a mix of residential, commercial, and drop box customers. These four Franchise Areas contain the following residential communities: Area 1 - Salida, Keyes, Crows Landing, Grayson, and Westley; Area 2: Knights Ferry and Valley Home; Area 3: Denair, Empire, Hickman, and La Grange; and Area 4: the unincorporated areas are primarily pockets within the City of Turlock (Attachment B). In exchange for a franchise fee, the hauler receives the exclusive right to the residential and commercial accounts within their respective area, while Stanislaus County retains the ability to regulate the haulers and set the maximum rates that can be charged. In addition, the Board of Supervisors also sets the franchise maximum haul rates for drop box customers.

On November 4, 2008, the Board adopted a new Refuse Rate Adjustment Process and approved a Baseline for Rates (Base Rates), which set the maximum franchise rates for solid waste collection services in the unincorporated areas of Stanislaus County. The new Base Rate became effective on July 1, 2009. In addition, the Board approved a new methodology for the annual adjustment of these Base Rates. For four consecutive years, beginning with July 1, 2009, the Base Rates may be increased or decreased according to the appropriate consumer price index (CPI). Every fifth year, a detailed cost of service study will be repeated to determine new Base Rates, followed by another four years of index-based adjustments.

On June 18, 2013, the Board of Supervisors adopted the new Base Rates for solid waste collection services in the unincorporated areas of Stanislaus County. The new Base Rates became effective on July 1, 2013. The upcoming Fiscal Year is the second year of the four consecutive years when Base Rates may be increased or decreased based on the changes in a series of consumer and other price indices.

The following indices and their respective changes (i.e., the difference between the April 2013 – March 2014 average, and the April 2014 – March 2015 average) have been applied to the indicated components of the individual companies' residential and commercial Base Rates. Only the labor, fuel, collections, and interest adjustments have been applied to the Drop Box Base Rates because the County sets only the haul charges for these services. Disposal, transfer, and franchise fees are billed to the customer directly by the companies as part of the service charge.

*Bertolotti Disposal, Gilton Solid Waste Management and Turlock Scavenger’s Transfer Rate

As noted in the Fink Road Landfill component above, the proposed residential and commercial rates are based on a decrease in the disposal fee at the Fink Road Landfill from \$33 per ton to \$26 per ton. This percentage reduction will align the tipping fee with the discounted tipping fee in the Regional Solid Waste Disposal Plan tentatively agreed upon with the cities of Ceres, Hughson, Newman, Oakdale, Patterson, Riverbank, Turlock and Waterford. The Regional Solid Waste Disposal Plan will be presented to the Board of Supervisors for approval on May 12, 2015. The proposed tipping fee decrease will be dependent on the Board’s approval. With the Board’s approval, all rates will increase except for Area 4’s commercial services.

The proposed rates (Attachment A) are presented in a format that identifies the following: the change between the Base Rates and the rates currently being proposed with the appropriate indices applied; and the net change between the rates customers have paid over the past year and the rates proposed for Fiscal Year 2015-2016.

POLICY ISSUE:

The setting of a public hearing by the Board of Supervisors is required prior to adjusting the maximum rates for solid waste collection services. This action is consistent with the Board’s priorities of A Safe Community, A Healthy Community, A Well-Planned Infrastructure System, and the Efficient Delivery of Public Services by providing countywide refuse collection.
