PERMIT MODIFICATION NOTICE

On behalf of the United States Department of the Army, Ahtna Engineering Services provides you this public notice of a Class 1* permit modification for the following hazardous waste management facility:

Riverbank Army Ammunition Plant (RBAAP)
5300 Claus Road
Riverbank, California 95367

This Class 1* permit modification for Hazardous Waste Facility Permit 97-NC-012, incorporates a change regarding an updated schedule for closure. Also, the permit modification has a change of the closure year from 2035 to 2016. This Class 1* permit modification has been processed by the Department of Toxic Substances Control (DTSC), Office of Permitting, pursuant to the California Code of Regulations, Title 22, Section 66270.42(a).

The RBAAP ceased production activities in 2010 and is currently pursuing closure of the Hazardous Waste Facility Permit in preparation for the ultimate transfer of the facility to the City of Riverbank.

To obtain further information regarding the Class 1* permit modification, interested persons may contact:
