Approval of a Purchase Agreement to Acquire Right-of-Way for the Crows Landing Road Bridge Project, Parcel Owner: Turlock Sportsman's Club

DISCUSSION:

The Crows Landing Road Bridge was built in 1949 and consists of a steel stringer and steel plate girder superstructure on reinforced concrete wall piers and reinforced concrete pile bents with reinforced concrete winged abutments. The entire bridge span is approximately 670 linear feet in length and the Average Daily Traffic volume is approximately 6,700 vehicles per day. Per the latest Caltrans bridge report issued in September 2011 and the Federal Highway Administration's 1995 Coding Guide, this bridge has been determined to be vulnerable to damage if there is a significant flood event on the San Joaquin River. The bridge is also on the Local Seismic Safety Retrofit Program list due to seismic deficiencies and the bridge is listed as functionally obsolete. The proposed replacement bridge will improve safety and capacity within this segment of Crows Landing Road.

The County needs to acquire ROW from Turlock Sportsman's Club to accomplish this project. The property is located at 13949 Carpenter Road, Crows Landing, CA. The property owner has agreed to accept the following terms as outlined in the Agreement for Acquisition of Property in Attachment 1:

Property Owners:	Turlock Sportsman's Club
Amount of Compensation:	\$2,952
Assessor's Parcel Number:	057-001-005 and 057-001-006 (portions)
Right-of-Way Acquisition Area:	0.313± Acres permanent easement (approximate) 2.035± Acres Temporary Construction Easement

The amount of compensation has been determined to be within the range of just compensation by an independent appraiser hired by the Consultant that is contracted with the County for all-inclusive engineering and project delivery services.

Overall, in order to construct the project, ROW acquisitions are required from four parcels. Acquisitions are still being negotiated with the owners and/or tenants of the other two parcels.

POLICY ISSUES:

The recommended actions are consistent with the Board's priorities of providing A Safe Community, A Healthy Community, and A Well-Planned Infrastructure System by improving intersection safety and reducing greenhouse gas emissions by improving traffic flow in this area of Stanislaus County.

STAFFING IMPACT:

There is no staffing impact associated with this item.

AGREEMENT FOR ACQUISITION OF PROPERTY

This Agreement for Acquisition of Property is between the **County of Stanislaus** (County) and **Turlock Sportsman's Club, a Corporation**, (Grantor). This Agreement is expressly subject to approval by the County Board of Supervisors.

1. **PROPERTY.**

Grantor agrees to sell to County, and County agrees to purchase from Grantor, on the terms and conditions set forth in this Agreement, the real property interest described in the Exhibits attached hereto which are incorporated herein by this reference (the "Property").

2. **DELIVERY OF DOCUMENTS/ESCROW.**

All documents necessary for the transfer of the Property shall be executed and delivered by Grantor to the County's designated Acquisition Agent.

This transaction shall be handled through an escrow with First American Title Company, 1506 H Street, Modesto, CA 95354, phone: (209) 529-5000.

3. **PURCHASE PRICE AND TITLE.**

The consideration to be paid by the County for the Property is as follows:

Road Deed:	
0.331 Acres (Recreational land) x \$4,000/Acre	\$1,324.00
Temporary Construction Easement:	
2.035 Acres (Recreational land) x \$4,000/Acre x 10% (2 yrs)	\$1,628.00
Damages	\$ n/a
Benefits	\$ n/a
Total	\$2,952.00

County shall deliver the Purchase Price no later than 45 days after Board of Supervisors approval and after delivery and execution of all necessary transfer documents. Grantor shall convey good, marketable and insurable title to the Property free and clear of all liens, encumbrances, taxes, assessments and leases recorded and/or unrecorded.

Good, marketable and insurable title to the Property interest shall be evidenced by a CLTA owner's policy of title insurance ("Title Policy"). The Title Policy shall be in the amount of the Purchase Price, showing title to the Property interest vested in County. It shall be a

condition precedent to County's obligations under this Agreement that escrow holder is able to issue the Title Policy to County.

County shall pay all costs of any escrow, title insurance, and recording fees incurred in this transaction.

The Grantor agrees that if claims are submitted by lien-holders, the County is hereby authorized to honor such claims and deduct the amount of said claims from the amount to be paid to the property owner. The County will notify the Grantor of any such claims prior to payment.

Grantor acknowledges that the acquisition of the Property by the County is for a public purpose, and therefore, the Property is otherwise subject to taking by the power of eminent domain. Grantor acknowledges that this transaction is a negotiated settlement in lieu of condemnation and agree that the Purchase Price to be paid herein shall constitute full and fair compensation and consideration for any and all claims that Grantor may have against the County by reason of the acquisition, improvement, possession, use and/or occupancy of the Property, and Grantors waive any and all claims, including, but not limited to, claims for attorney fees, pre-condemnation damages, severance damages, business goodwill, relocation assistance, or any other claim.

If any eminent domain action that includes the Property, or any portion thereof, has been filed by the County, Grantor hereby agrees and consents to dismissal of said action. Grantor waives any and all claims to any money that may have been deposited with the State Treasurer in such action and further waives any and all claims for damages, costs, or litigation expenses, including attorney's fees, arising by virtue of the abandonment of the action pursuant to Section 1268.510 of the California Code of Civil Procedure.

4. PRORATION OF TAXES.

- (a) Taxes shall be prorated in accordance with California Revenue and Taxation Code section 5081 et seq., as of the recordation of the Grant Deed conveying title to County, except that where County has taken possession of the Property, taxes shall be prorated as of the date of possession.
- (b) Grantor authorizes County to deduct from the purchase price any amount necessary to satisfy any delinquent taxes, together with penalties and interest thereon, and any delinquent or non-delinquent assessments or bonds, which are to be cleared from the title to the Property.

5. POSSESSION.

Grantor agrees that immediately upon approval of this Agreement by County, the County may enter upon and take possession of the Property.

6. **HAZARDOUS WASTE MATERIAL.**

The Grantor hereby represents and warrants that during the period of Grantor's ownership of the Property, there have been no disposals or releases of hazardous substances on, from, or under the Property. Grantor further represents and warrants that Grantor has no knowledge of any disposal or release of hazardous substances, on, from, or under the Property which may have occurred prior to Grantor taking title to the Property.

The Purchase Price of the Property reflects the fair market value of the Property without the presence of contamination. If the Property is found to be contaminated by the presence of hazardous substances which requires mitigation under Federal or State law, the County reserves the right to recover its clean-up costs from those who caused or contributed to the contamination, or who may be otherwise deemed responsible parties.

7. **ENTIRE AGREEMENT.**

This Agreement and the attached Exhibits constitute the entire agreement between the parties relating to the sale of the Property. Any prior agreements, promises, negotiations, or representations not expressly set forth in this Agreement are of no force and effect. Any amendment to this Agreement shall be of no force and effect unless it is in writing and signed by the County and Grantor.
