STAFF RECOMMENDATIONS:

1. Authorize the Sheriff to sign a contract accepting up to \$150,000 in funding from the Boating Safety & Enforcement Financial Aid Program.

DISCUSSION:

The California State Parks Division of Boating and Waterways (DBW), provides financial aid to local government agencies through its Boating Safety and Enforcement Financial Aid Program. Under this program, DBW provides funds that can be utilized for personnel, equipment, operations, and maintenance of equipment. In addition to offsetting personnel costs, the aid can help to replace equipment utilized by the Department in marine enforcement and will help to maintain grounds and structures used as part of these operations as well.

January 5, 2016 the Board approved acceptance of the award of \$150,000 in funding for Fiscal Year 2015-2016 from DBW. For Budget Year 2016-2017 the Stanislaus County Sheriff's Department, upon the passage of this Agenda Item and corresponding resolution, will be able to accept funds of up to \$150,000 from the Division of Boating and Waterways (DBW) Boating Safety and Enforcement Financial Aid Program. The Department plans to apply for these funds annually and anticipates receiving at least \$150,000 every year to offset overtime and equipment costs associated with law enforcement on the County's waterways. No additional costs are anticipated as a result of participating in this program.

The funds from the DBW will be used to fund overtime in the Reservoirs Unit in which deputies conduct enforcement with State and Local laws and regulations, supervision of organized on the water boating activities, and Search and Rescue Operations.

Approval for the Sheriff to Accept an Award of up to \$150,000 From the California State Parks Division of Boating and Waterways Boating Safety and Enforcement Financial Aid Program for Budget Year 2016-2017

Currently, the Sheriff conducts patrols on a semi-daily basis of the Stanislaus County Modesto and Woodward Reservoirs, Turlock Lake, and the Stanislaus, Tuolumne and San Joaquin Rivers. Each of these waterways is patrolled using boats, personal watercraft, Zodiacs, or by foot ensuring that those using the recreational waterways are doing so safely and obeying all laws and safety regulations. During the course of the year, the Department will provide over 10,000 hours in order to patrol these local waterways, answering more than 750 calls for service and providing a safe environment for the more than 500,000 visitors to the waterways of Stanislaus County each year.

These additional funds are intended by the State to help mitigate costs that Counties incur patrolling boating and waterways in their local jurisdictions. The grant requires that the Department use all of the Boat Tax Revenue received by the County for Boating and Waterways and only submit an application to the State for those costs that are in excess of the anticipated Boat Tax Receipts. In Budget Year 2016-2017, the Auditor's Office has projected that the County will receive \$40,084 in Boat Tax Receipts and the budget for this year anticipates spending in excess of \$1,196,386 for enforcement at the Reservoirs. This means that the County will incur approximately \$1,156,302 in reimbursable expenses under the term of this grant. However, Stanislaus County has only been allocated \$150,000 in Financial Aid under this program.

POLICY ISSUE:

The Sheriff has the responsibility to perform boating safety and enforcement patrol on the waterways of Stanislaus County. The Sheriff plans to budget an estimated cost to conduct enforcement on the waterways for the 2016-2017 Budget Year within the Proposed Budget. Section 663.7 of the Harbors and Navigation Code as amended by section 6593 of the California Code of Regulations put in place the Boating Safety and Enforcement Financial Aid Program to provide State financial aid to local governmental agencies whose waterways have high usage and costs that exceed the Boat Tax Revenue that is received by the County. Stanislaus County is being awarded up to \$150,000 from this program for use in the 2016-2017 Budget Year and will apply the money toward overtime expenses that will be incurred.

FISCAL IMPACT:

The personnel expenses of patrolling the County's waterways will be budgeted in the Sheriff Operations budget for Budget Year 2016-2017. Accepting this award will allow the Department to receive \$150,000 in reimbursement for expenses that are going to be incurred to provide patrol operations on the County's waterways.
