SUBJECT:

Public Hearing to Consider Approval of Williamson Act Cancellation Application No. PLN2016-0046, McHenry Bridge, a Partial Cancellation of Williamson Act Contract No. 75-1846

STAFF RECOMMENDATIONS:

Cancel the Public Hearing and take no action regarding the cancellation of the Land Conservation Contract.

DISCUSSION:

Williamson Act Cancellation Application No. PLN2016-0046, McHenry Bridge, was scheduled for public hearing on June 28, 2016, to cancel a portion of Williamson Act Contract No. 75-1846 on property acquired by eminent domain as part of a Public Work's Bridge Improvement Project. Staff was initially advised by the Department of Conservation (DOC) that the Board of Supervisors were required to take action to cancel the contract. However, "When an action to condemn or acquire less than all of a parcel of land subject to a contract is commenced, the contract shall be deemed null and void as to the land actually condemned or acquired ..." (Gov. Code, § 51295.) Thus, the subject Land Conservation Contract was automatically canceled by operation of law when the Department of Public Works acquired land for its bridge project, and it is unnecessary for the Board of Supervisors to take action to effect cancellation of the contract.

Additionally, upon further review, the DOC has concluded that the cancellation is not required; indicated that a formal letter stating that the contract is null and void will be provided to the County; and that no further action is needed.
