Vice-Chairman DeMartini reported that he, Supervisor Monteith, and Supervisor-Elect Chiesa, attended the annual CSAC Conference last week in San Diego. He noted that of particular interest was the State Budget and the substantial impact on the counties. Governor Schwarzenegger was there and stated that he would not support the State taking any of the Prop 42 (sales tax on fuel) money, or borrowing any money through the provision of Prop 1A.

Supervisor Grover learned during the meeting, that the County’s network is down and that people are currently unable to make their property tax payments online. The CEO commented that the network should be fixed this morning, and that taxpayers still need to pay their property taxes by 12/10/08 and that they may want to contact the Treasurer-Tax Collector to make other arrangements if they are unable to make their payment online.

Supervisor Grover reported that he took part in the partial recount last week regarding the Measure S Election. He noted that they focused on the 14,000 ballots that had not been counted because of lack of registrations and the 7,400 under votes. He reported that the integrity of the Clerk-Recorder's system is very good, and that the Election staff was very courteous and helpful.
