Supervisor De Martini spoke regarding Agenda Item \*D-1, and noted that the revision to the Ag Element buffers and setbacks was a needed adjustment. He reported that the privately funded revitalization of Larid Park started last week, and by spring it will have a new sprinkler system and new trees. He reminded everyone that property taxes are due on Monday, 12/12/2011.

Supervisor Chiesa reported that he, Supervisor De Martini, Supervisor Withrow, Christine Ferraro Tallman, Clerk of the Board, and Monica Nino, Assistant Executive Officer attended the CSAC Conference in San Francisco last week.

The CEO reported that the second half of December will be an important time, as the State will determine if additional budget cuts will need to be made. He noted that a number of legal challenges have already been filed. He is fairly confident that the revenue anticipated by the State is coming in significantly short of expectations. The County will have a better idea of the situation after 12/15/2011. The Governor has filed a voter initiative for a ½ cent sales tax, and higher income taxes for those making over \$250,000.00 per year and joint filers over \$500,000.00. It is estimated that this initiative would raise over \$7 billion annually for five years.
