STANISLAUS COUNTY PLANNING COMMISSION DETERMINATION OF
CONFORMANCE WITH THE GENERAL PLAN**

On December 6, 2012, the Stanislaus County Planning Commission considered the consistency of the Stanislaus County Preliminary Capital Improvement Plan for Fiscal Year 2012-2013 with the Stanislaus County General Plan.

The Commission:

1. Found that the proposed activities, projects, and acquisitions as described in the Capital Improvement Plan under the categories identified as "Approved/Funded", "Pending Implementation", "Future Project Master Planned", and "Future Project-Pending Analysis" are consistent with various goals, policies and implementation measures as defined in the General Plan, and therefore are in conformance with the General Plan as a whole;
2. Found that acquisitions of all equipment, easements, properties, or rights-of-way necessary for implementation of the projects identified in the CIP would, by the direct relationship to the projects as described, were also considered to be consistent with the General Plan; and
3. Directed staff to forward the analysis report and Commission findings to the Stanislaus County Board of Supervisors.

Pursuant to those directions, attached for your use is a copy of the General Plan Consistency Analysis compiled by the Department of Planning and Community Development dated December 2012.
