E.A./P.W. No: 2019-24

Project Title:

UPGRADE TRAFFIC SIGNALS - 2013:

7th Street and G Street
7th Street and H Street
7th Street and I Street
9th Street and B Street

Project Location – Specific:

Intersections of 7th Street/G Street, 7th Street/H Street, 7th Street/I Street and 9th Street/B Street

Project Location – City:

Modesto

Project Location – County:

Stanislaus

Description of Nature, Purpose, and Beneficiaries of Project:

This project involves the upgrade of existing traffic signals at the intersections following intersections in the City of Modesto: 7th Street/G Street, 7th Street/H Street, 7th Street/I Street, and 9th Street/B Street. Work will include upgrading certain traffic signal standards, relocating certain traffic signal cabinets, installing new conduit, emergency vehicle pre-emption (EVP) and new vehicle detection for the intersections. This project will also install new ADA compliant pedestrian push buttons and indications at all the above listed intersections. This project will help improve pedestrian safety and reduce stopping delay at these locations, which will result in a reduction in air pollution, congestion, and travel delay with improvement in traffic flow and safety.
