Project Title: City of Modesto Water Master Plan

Project Applicant: City of Modesto

Project Location (include county): Modesto/Salida/N.Ceres/Empire/others

Project Description:

The Proposed Project involves implementation of a Water Master Plan (WMP). The City developed the WMP to define the City's long-term water supply and infrastructure needs and guide management of its water delivery systems, which includes the City of Modesto and communities of Salida, Del Rio, Empire, Grayson, North Ceres, Country pockets and parts of the city Turlock. The WMP identifies recommended and prioritized capital improvement projects (CIPs) for system-wide implementation needed to deliver safe and reliable water and meet water demand requirements for existing and future City customers through buildout of the City's adopted General Plan.

This is to advise that the City of Modesto City Council has approved the above (X) Lead Agency or Responsible Agency

described project on 28 April 2020 and has made the following determinations regarding the above described project.

- 1. The project [X] will [] will not] have a significant effect on the environment.
2. [X] An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
[] A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [X] were [] were not] made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [X] was [] was not] adopted for this project.
5. A statement of Overriding Considerations [X] was [] was not] adopted for this project.
6. Findings [X] were [] were not] made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:

City of Modesto Utilities Department, 1010 Tenth Street, Modesto, CA 95353
