**Subject:** Notice of Exemption (NOE)

**Project Title:** Turlock Lake Rehabilitation Project Geotechnical Investigation

**Project Applicant:** Tim Payne, CDSE, 333 E canal drive, turlock, CA, 209-883-8384

**Project Location:** 22600 Lake Road La Grange, CA 95329

**Project Description:** The geotechnical investigation program is intended to investigate the subsurface geologic, geotechnical, and groundwater conditions at the project site. The collected subsurface engineering data will be used to determine design and construction criteria for preliminary proposed embankment improvements.

**Name of Public Agency Approving Project:** Turlock Irrigation District

**Name of Person or Agency Carrying Out Project:** Turlock Irrigation District

**Exemption Status:** Categorical Exemption

- Class 1: Existing facilities (14 CCR § 15301)
- Class 4: Minor alterations to land, water, or vegetation (14 CCR § 15304)
- Class 6: Information collection (14 CCR § 15306)
- Class 9: Inspections (14 CCR § 15309)

**Reason for Exemption:** The Geotechnical Investigation is being completed for the purpose of information collection. All holes are being drilled in locations specified within the Geotechnical Investigation Work Plan approved by the Approving Public Agency(s) which in turn was developed using known geological and engineering specifications and standard practices for these types of test wells.
